

# **Supreme Great Universal Manifesto**

*by Samael Aun Weor*

GNOSTIC LIBRARY

Through 25 years of studies and practices in the Universal Christian Gnostic Movement, I have been able to verify that evolution and involution are twins and that they work for Nature, but never for the Self-Realization of the Being.

## **PROLOGUE**

To all Gnostic Brothers, and to whoever reads this pamphlet, I address myself:

In this Great Universal Manifesto of the Gnostic Movement, the Master speaks on evolution and involution.

Through 25 years of studies and practices in the Universal Christian Gnostic Movement, I have been able to verify that evolution and involution are twins and that they work for Nature, but never for the Self-Realization of the Being.

In all my labors as a practical Agriculturist, I have verified that: the Seed germinates and gives fruit; afterward it begins to wither until dying; the earth receives it for its fertilizer and to give life to new plants. Similarly happens with man: he is born, grows, reproduces, ages, and dies, fulfilling the law of evolution and involution. But there is no integral self-realization in this mechanical process.

It also speaks of the difficulty that exists to attain peace. To be able to establish peace in a home, it is necessary to attain it

within each one of those who compose it; otherwise it is more than impossible.

I have experienced the normal Evolution of the individual up to 25 years, and the decadent state up to 52 years; today I have changed my life, both in the material and in the spiritual, by the fact of having known the path of the Razor's Edge that V.M. Samael Aun Weor teaches.

I invite you, dear reader, to study and practice the three factors of the Revolution of Consciousness: to Be Born, to Die, and to Sacrifice for humanity, in order to free yourself from this chain that ties us to evolution and involution.

Study and seek the alliance with the Patriarch of the New Era.

## **Chapter One: THE AQUARIAN ERA**

Much has been said, much has been discussed on the new Aquarian Era, which was initiated on the 4th of February of the year 1962.

Certain organizations very poorly informed on Astrology suppose that the Aquarian Era began before the 4th of February 1962. Other pseudo-occultist organizations are still awaiting the entry of the Sun into the Constellation of Aquarius.

Many suppose that the AQUARIAN Era will begin after the year 2000, based on the fact that only every 2000 years does the Sun pass from one zodiacal sign to another. Those who think thus firmly believe that Jesus was born on the very day of the inauguration of the Piscean Era, but the historical facts demonstrate the contrary.

It would be impossible to know the date on which the new Era begins, if unfortunately we did not have the Book of the Zodiac in our possession. If we open said book, we shall find in it a marvelous illustration with the conjunction of the seven planets in the Constellation of Aquarius.

Each time a New Era begins, the 7 planets gather in full cosmic congress in this or that zodiacal sign. Thus happened in the past, thus will happen in the future, thus happened on the day 4th of February of 1962, at 24 hours, midnight, Greenwich meridian.

We have to recognize that the ASTROLOGERS OF INDIA lamentably erred, believing that said conjunction of worlds would be realized in the constellation of CAPRICORN. Precisely, based on these mistaken predictions, we delivered to humanity a Message in which we clarified the error of the Indian astrologers and announced the correct date.

We shall cite the following paragraphs of the mentioned message:

'The Astrologers who suppose that said conjunction will be realized in the Sign of CAPRICORN and not in that of AQUARIUS will remain, in fact, confused and embarrassed before the wise Astronomers of the four corners of the world.'

The facts proved us right, because logic was on our side. The Hindus said that the GODDESS KALI saved the world; but the journalists, who know how to sharpen their point on everything, said that Goddess Kali had been a mistake of the Hindu astrologers.

The reality, the crude reality is that we are now in the Aquarian Era. This Era is governed by the explosive URANUS, Lord of the House of AQUARIUS. Inevitably a total change is coming in all order of things.

The disintegration of the atom will provoke, in the long run, the chain decomposition of the Atom; the result is to RETROGRADE planet Earth to its ARCHAIC past. From that remote past, nature received the integral cosmic forces that gave it form.

The concrete facts are proving us right; logic is on our part. Everywhere, the earth is trembling, it trembles in America, in Europe, in the Middle East, in Asia, in Africa, in Oceania.

The entry of the SUN into AQUARIUS is marvelous and terrible at the same time. URANUS is EXPLOSIVE and TREMENDOUSLY REVOLUTIONARY, and the INTELLECTUAL ANIMAL, called man, is not prepared to manage such enormous cosmic forces.

Any bad quadrature or planetary conjunction in the future will be able to be sufficient for man to identify himself totally with the negative ray of URANUS, and the sure result will be ATOMIC WAR.

The men who abhor war have worked for peace from ancient times, but all their effort has turned out useless. All the campaigns for peace are useless; all the propaganda for peace fails miserably. Why? Because man does not know the causes of war.

WAR is owed to many causes that man ignores; some of those causes are within man, others are outside man. Wars are owed to PLANETARY INFLUENCES, to cosmic forces that the human being does not know how to control because he has not self-realized himself.

The I is formed by thousands of small 'I-s' separated from one another; often they are unknown to each other, and even make war among themselves. MAN IS A PLURALITY, NOT A UNITY.

These 'I-s' fight for Supremacy, each one of them wishing to be the master; each desire, the heat, the good weather, the cold, each thought, gives birth to new 'I-s'.

The factors of War we carry within: the I-s of Greed, Cruelty, Selfishness, Hatred, etc., are within man himself. When these I-s are dissolved on the basis of COMPREHENSION AND SACRIFICE, then within us the BEING is born.

Only he who possesses the BEING can be called a true man.

Unfortunately, THE INTELLECTUAL ANIMAL is a sleeping machine driven by the catastrophic influences of the Cosmos; every machine responds to the force that moves it. Millions of INTELLECTUAL ANIMALS will become victims of the negative force of URANUS and will go to war.

The most serious thing is that no propaganda for PEACE will give results. No organization that works for PEACE can give good fruits.

The most respectable organizations that labor for Peace, in the name of Peace, have declared War; then what? Where do we stand?

At present there exist in the World armies of Peace in full War; that is tragic and horrible, but TRUE.

We must FACE THE PROBLEM OF PEACE from another totally different angle; we must focus the study of Man in frank, sincere, and definitive form, if we really want PEACE. Only by dissolving the I, by FABRICATING SOUL, can we have integral PEACE.

The 'UNIVERSAL CHRISTIAN GNOSTIC MOVEMENT', understanding what it means to enter the CONSTELLATION OF AQUARIUS, proposes to create a new order that is in tone with URANUS, in HARMONIOUS, CLEAR, and CONSCIOUS form.

The GNOSTIC MOVEMENT attempts to create a new era of CONSCIOUS PEACE.

The GNOSTIC MOVEMENT struggles for the INTIMATE SELF-REALIZATION of man, because it understands that only with INTIMATE SELF-REALIZATION can man overcome the adverse cosmic influences that lead him to disaster.

The GNOSTIC MOVEMENT is forming a new group of true men, capable of struggling against human barbarism. Those who enter the Gnostic Movement will convert themselves into true paladins of the new Era.

Therefore it is SELF-REALIZATION that alone can give us TRUE PEACE.

The entry of the Sun into Aquarius demands INTIMATE SELF-REALIZATION. There is urgently needed a CONGREGATION, or rather, A NEW HUMAN GROUP of truly SELF-REALIZED men, to establish a new order of things in this AQUARIAN ERA.

The GREAT WHITE LODGE of SECRET TIBET will attempt a new Era of PEACE, and the UNIVERSAL CHRISTIAN Gnostic MOVEMENT is the vehicle of expression founded by the WHITE LODGE for this purpose and end.

Humanity is totally lost; for this reason the WHITE LODGE OF SECRET TIBET proposes to make a last effort in order to save the lost ones. This is similar to the sick man who is on the verge of disincarnating; the doctors do a last effort to save him, knowing that the case is grave but not surrendering before the inevitable.

*The 'UNIVERSAL CHRISTIAN Gnostic MOVEMENT', understanding what it means to enter the CONSTELLATION OF AQUARIUS, proposes to create a new order that is in tone with URANUS, in HARMONIOUS, CLEAR, and CONSCIOUS form.*

## **Chapter Two: A FRIGHTFUL TRUTH**

The students of all the Pseudo-Esoterist and Pseudo-Occultist Schools trust to arrive someday at Perfection and Final Liberation through the LAW OF EVOLUTION.

We, the Gnostics, can never deny the LAW OF EVOLUTION; it would be absurd to deny the LAW OF EVOLUTION. There also exists the LAW OF INVOLUTION. EVOLUTION and INVOLUTION, these two mechanical laws, work for nature but never for the integral self-realization of the Being.

Many living species are the product of EVOLUTION, and many others are of INVOLUTION. For example, the dog, the donkey, the household lizard, and many other species of monkeys, chimpanzees, etc., are the result of involutive processes; they descend from the human.

It also happens that many species evolve during some time and then INVOLVE, DEGENERATE.

Much has been said on the cannibals and savages of the deep jungles; the PSEUDO-ESOTERIST AND PSEUDO-OCCULTIST students, as well as many Darwinists, totally bottled up in the DOGMA OF EVOLUTION, suppose that those creatures are evolving toward perfection. Nothing more false than that supposition.

The cannibals and primitive savages have behind them glorious ancestors and formidable traditions. Really they come from peoples who arrived at the Summit of civilization.

The ants and the bees, which many pseudo-occultists suppose to be species in frank and positive EVOLUTION, are really creatures in process of total INVOLUTION. In ARCHAIC times, before there appeared on the Earth the present species of humanoids, the ants and the bees were highly developed beings with great civilizations.

EVOLUTION and INVOLUTION are totally mechanical laws; said laws exist; but the bad of the question, the mistaken, is to attribute to the referred Laws factors that they do not have.

It is URGENT to comprehend that only the REVOLUTION OF CONSCIOUSNESS can lead us to INTIMATE SELF-REALIZATION.

THE PATH OF THE RAZOR'S EDGE is the path of the True Revolution. This path is the only one that possesses all the means to develop the hidden possibilities of man. We have to recognize that the law of evolution does not develop them; nor does involution.

The Path that leads to the development of all the DIVINE POSSIBILITIES is totally REVOLUTIONARY. We have to march against Nature and to unsheathe the sword to fight

against its tenebrous powers. The Adept is the one who has the consciousness in full activity.

THE PATH OF THE RAZOR'S EDGE IS THE PATH OF TRUE INTERIOR REVOLUTION. This Path is the opposite of ordinary life, of everyday life. Really common and ordinary life, even when it appears terribly active and even revolutionary in the social, political, etc., never produces a true interior change.

Man is full of POSSIBILITIES that can remain without any development, and which can even disappear entirely if he does not have the courage to enter the path of the INTIMATE REVOLUTION.

This matter of INTIMATE SELF-REALIZATION is contrary to the interests of nature; and when a man resolves to enter the Path of REVOLUTION, Nature launches against him all her tenebrous powers, with the purpose of making him fail.

Really Humanity in its totality will be swallowed by the abyss. Very few will be the SAVED ones.

The GNOSTIC MOVEMENT, understanding this frightful truth, proposes to teach the World the true path, FRANK AND SINCERE, OF THE LEGITIMATE AND AUTHENTIC INTERIOR REVOLUTION. The GNOSTIC MOVEMENT wishes to save those who are willing to save themselves.

*It is URGENT to comprehend that only the  
REVOLUTION OF CONSCIOUSNESS can lead us  
to INTIMATE SELF-REALIZATION.*

### **Chapter Three: THE SOUL**

The INTELLECTUAL ANIMAL called man HAS NO SOUL. The INTELLECTUAL ANIMAL really has only the PSYCHIC MATERIAL to FABRICATE SOUL. The INTELLECTUAL ANIMAL must FABRICATE SOUL.

We must distinguish between the I and the SOUL. The I is not the SOUL. The I is not Divine. The I is not immortal. The I continues after death and reincarnates to satisfy vices, passions, and desires, etc.

The I is PLURALIZED. The I is LEGION OF DEVILS that continue beyond the Sepulcher. The body of the I is the Body of Desires.

After Death, the I in its body of desires continues and reincarnates to satisfy its passions.

The root of all bitterness is the I. The root of ignorance is the I. To be born is pain, to die is pain, to live is pain; really the I is the origin of PAIN.

The I is LEGION OF DEVILS, LEGION OF I-S; within a person there exist many persons, many I-s. The pseudo-esoterists, poorly informed, believe that we have ONE SINGLE MIND. Really we have thousands.

I know that we are speaking with terms that do not please the pseudo-sapient; but what shall we do? We must speak the truth frankly.

No one likes the Truth, but we must speak the Truth. People believe they have SOUL, when in truth they only have within them SATAN (the I). SATAN, the LEGION OF THE I, the EGO, clumsily wastes the soul material in atomic explosions of anger, greed, lust, envy, pride, laziness, gluttony.

Really there exists only one system to fabricate SOUL. That system is that of Dissolving the I. The I dead, there exists no Waster; then the SOUL MATERIAL accumulates within, converting itself into a PERMANENT CENTER OF CONSCIOUSNESS.

*People believe they have SOUL, when in truth they only have within them SATAN (the I).*

## **Chapter Four: SYSTEM FOR DISSOLVING THE I**

The I is not dissolved with sanctimoniousness, nor with poses of feigned meekness, nor with stupid fanaticisms. It is necessary to perform the DISSECTION upon the I with the scalpel of SELF-CRITICISM. We must learn to be merciless with ourselves.

The I is a book of many volumes. We must study that book carefully if we really wish to dissolve the I and FABRICATE SOUL.

The first thing we need is to OBSERVE OURSELVES CAREFULLY to discover our own defects. The second is to analyze intellectually our defects. The third is to MEDITATE profoundly on each discovered defect, with the purpose of comprehending it in all the levels of the mind.

Many Saints who here in the physical world astonished the World by their Sanctity, continued in other levels of the Mind being Great sinners; and when they discovered it they suffered greatly and worked intensely upon themselves to dissolve those defects.

We need to die from instant to instant; only with death does the new arrive. Each time we COMPREHEND INTEGRALLY a

defect, in the Internal Worlds the 'I' that personifies it is disintegrated, and a fraction of consciousness is freed.

It is not by saying 'I am going to be charitable, truthful, honest, chaste, peaceful' that one comes to have those virtues. Really those virtues are born in us as the result of PROFOUND COMPREHENSION. If we comprehend the egoism profoundly, in us is born integrally the virtue of charity.

If we profoundly comprehend what lying is, what falsity is, it is clear that there will be born in us the fervent yearning to always tell the Truth and nothing but the Truth; and so successively with all the virtues.

Only on the basis of PROFOUND SELF-OBSERVATION, INTELLECTUAL ANALYSIS, AND PERFECT MEDITATION, can we come to COMPREHEND INTEGRALLY each one of our defects. Uselessly we could affirm thousands of times: 'I am virtuous'; with that we shall not arrive at being it.

If we wish to dissolve the PLURALIZED I, we must abandon the PRIDE of believing ourselves Good and Saints. Those persons who have read Theosophy, Rosicrucianism, Spiritualism, etc., have a marked tendency to believe themselves saints, and so they auto-self-deceive themselves and never dissolve the I.

Really we have to start from ZERO if we wish to dissolve the I, the MYSELF, the REINCARNATING EGO. Whether we like it

or not, the truth is that we are DEVILS, perverse people. If we deny this truth, we will never be able to dissolve the I.

We must remember that in the INCENSE OF PRAYER offense also hides itself. In the perfume of courtesy offense also hides itself. In the miraculous cadence of a verse offense also hides itself.

What we have said is hard, very hard, too hard, and may not please the SANCTIMONIOUS ONES; but it is the Truth, and if we do not recognize it, it becomes absolutely impossible to dissolve the I. We must speak frankly.

*The third is to MEDITATE profoundly on each discovered defect, with the purpose of comprehending it in all the levels of the mind.*

## **Chapter Five: THE SPIRIT**

The SOUL may be mortal or IMMORTAL; that depends on OURSELVES.

All class of sins shall be forgiven, except the sin against the HOLY SPIRIT. Whoever fornicates sins against the HOLY SPIRIT. Whoever ADULTERATES sins against the HOLY SPIRIT. Whoever abhors sex and abominates sex blasphemes against the HOLY SPIRIT.

Many pseudo-occultists say: 'I concern myself only with what I have from the waist up, because what I have from the waist down is bestial, animal; sex is bestial, disgusting, animal.'

Persons who speak thus, persons who think thus, blaspheme against the HOLY SPIRIT and insult the THIRD LOGOS; they believe themselves more perfect than the HOLY SPIRIT.

Really the HOLY SPIRIT is the same sexual force that the INFRASEXUAL DEGENERATES abhor and profane. The laboratory of the HOLY SPIRIT is in the very creative organs.

The HOLY SPIRIT was sent by the FATHER to fortify the SOUL, to awaken in it all its IGNEOUS POWERS, to open each one of the seven Churches. Whoever rejects the HOLY SPIRIT rejects the FATHER and rejects the SON.

It is necessary to transform the SOUL into SPIRIT, and that is only possible by knowing how to consciously utilize the sexual fire of the HOLY SPIRIT.

It is URGENT to fabricate SPIRIT. Meanwhile, the so-called man does not possess SPIRIT.

The Spirit is living fire; the fire results from transmutation. We need to transmute our sexual energies into Light and Fire. Everything in life costs something, and nothing is obtained as

a gift. The price of LIBERATION is INTEGRAL TRANSMUTATION of the sexual energy.

*The HOLY SPIRIT was sent by the FATHER to fortify the SOUL, to awaken in it all its IGNEOUS POWERS, to open each one of the seven Churches.*

## **Chapter Six: SEX YOGA**

The techniques of SEX YOGA are known by the name of TANTRISM. There exists BLACK TANTRISM, the GRAY, and the WHITE. In BLACK TANTRISM there exists seminal ejaculation, and its result is fatal, because the FIRE descends from the coccyx toward the atomic infernos of man.

The theory of WHITE TANTRISM is that of CONVERTING POISONS INTO MEDICINES. By poison let us understand the use of woman and spirituous drinks. In some Brahman texts of the SACRED INDIA OF THE VEDAS, the wise use of the chemical union with woman is taught as the integral key of the integral self-realization.

BUDDHIST TANTRISM teaches that only with woman is it possible to attain Nirvana. It is also true that woman only with man can attain Nirvana.

The principal characteristic of TANTRISM is to follow a special technique during the coitus to attain perfect ecstasy. This technique is based on the 'COITUS RESERVATUS', that is, the sexual act without ejaculation of the semen.

The Tantric texts say clearly that even when the semen is about to be ejaculated, the Yogi must retain it and not spill it, through a very special effort. In a text it is recommended that the retention must be sustained.

It is through this practice that the truly initiated Hindu Yogis attain perfect Ecstasy and arrive at Nirvana. With the MAITHUNA the KUNDALINI awakens. In truth, the Kundalini is the integral sexual fire of the Holy Spirit.

The igneous serpent of our magical powers sleeps profoundly coiled three and a half times within a magnetic center situated in the COCCYX. When the serpent awakens, it leaves its magnetic center and ascends through the spinal medullary canal, opening the seven churches.

The KUNDALINI is sacred fire, Divine Spirit. When the SOUL receives the fire, it becomes Igneous; it also unites with the SPIRIT, converts itself into SPIRIT, and becomes eternal.

It is urgent to fabricate Spirit. It is urgent to transform the SOUL into SPIRIT. There exists no other path to fabricate Spirit. There exists no other path to fabricate SOUL.

The UNIVERSAL CHRISTIAN GNOSTIC MOVEMENT, understanding that no other path exists and never existed to fabricate SPIRIT and to make the SOUL IMMORTAL, preaches the Science of SEXUAL YOGA. This is the integral key of the integral self-realization of the integral Being.

It is urgent to FABRICATE SOUL. It is urgent to FABRICATE SPIRIT. It is urgent to SACRIFICE OURSELVES FOR HUMANITY, TEACHING TO OTHERS THE DIVINE SCIENCE.

*The UNIVERSAL CHRISTIAN GNOSTIC MOVEMENT, understanding that no other path exists and never existed to fabricate SPIRIT and to make the SOUL IMMORTAL, preaches the Science of SEXUAL YOGA.*

## **Chapter Seven: THE BUDDHA**

Much has been spoken in the East about BUDDHA and the BUDDHAS. It would be long to detain ourselves in an enumeration and definition of all the BUDDHAS OF PERFECTION.

In the HEAVEN OF MAHAYANA there exist thousands of BUDDHAS, not only in the texts but also in the temples, where the artists have reproduced them indefatigably.

We have to say that for every truly REVOLUTIONARY man there is a BUDDHA.

Only the rebellious man, only the man who is capable of dissolving the I to fabricate SOUL, only the man who is capable of eternally renouncing the ejaculation of the semen to awaken the sacred Fire of the HOLY SPIRIT, can incarnate the BUDDHA.

Every valiant man, every true REBEL converts himself into a BUDDHA.

We are speaking to sincere men, to men who are always disposed to play the last card. We are not speaking to the Imbeciles, because these hate sex and do not wish to dissolve the I.

If the INTELLECTUAL-ANIMAL could incarnate the INTERNAL BUDDHA, he would annihilate himself; he could not resist the tremendous electrical voltage of the Buddhic Energies. Only by fabricating SOUL and SPIRIT can we incarnate the INTERNAL BUDDHA.

In all the Schools there exist individuals who read a great deal but realize nothing. Those do not renounce the EJACULATION OF THE SEMEN, not for all the treasures of the world. People like that, people who do not wish to renounce, never arrive at the INTERNAL BUDDHA.

The reality is that these persons WILL INEVITABLY ENTER the AVITCHI. TANTRIC BUDDHISM IS MARVELOUS because it teaches the MAITHUNA and the dissolution of the I.

TANTRIC BUDDHISM could never conceive the INTERNAL BUDDHA as some refined species of the I. Every master in SAMADHI (Ecstasy) knows very well that the INTERNAL BUDDHA is much above every species of pluralized I.

BUDDHA taught the MAITHUNA secretly to his disciples. BUDDHA taught the dissolution of the I to his disciples. BUDDHA taught the path of sacrifice for humanity to his disciples.

Millions of volumes of Occultism, Theosophism, Rosicrucianism, etc., have been written; much has been said; but the reality is that the synthesis of all the knowledge is reduced to the three factors:

- **First: TO DIE.**
- **Second: TO BE BORN.**
- **Third: TO SACRIFICE ONESELF FOR HUMANITY.**

The I must die. The INTERNAL BUDDHA must be born in us. We must love Humanity and preach in all parts the DOCTRINE OF THE GOOD LAW.

The GNOSTIC MOVEMENT, conscious of these three basic factors of the REVOLUTION OF CONSCIOUSNESS, fights the good battle against the darkneses of error. The GNOSTIC MOVEMENT wishes that all the human beings of the planet may know these integral truths.

THE GNOSTIC MOVEMENT is not against any religion, school, or sect. The GNOSTIC MOVEMENT only proposes to teach all the human beings the PATH OF THE RAZOR'S EDGE. We are fighting for the integral self-realization of all the integral disciples.

*The GNOSTIC MOVEMENT, conscious of these three basic factors of the REVOLUTION OF CONSCIOUSNESS, fights the good battle against the darkneses of error.*

## **Chapter Eight: THE CHRIST**

We have now arrived at the year 1963 of the CHRISTIAN ERA, second year of the AQUARIAN ERA, and still people DO NOT know what the CHRIST is. Great is the adoration of the Christ; great is the blood that has been spilled in the name of the Christ; but few are those who really know what the CHRIST is.

Really, to be Christian is something very difficult. To BE CHRISTIAN signifies to have the BEING of a CHRISTIAN. TO

BE CHRISTIAN signifies to already have SOUL and SPIRIT, to possess the BEING. Only he who already has the BEING can live according to the precepts of the Christ.

SATAN, the PLURALIZED I, can never live in accordance with the precepts of the CHRIST. SATAN is SATAN, and that is all.

There exist 7 types of men:

- **First: Instinctive and brutal man.**
- **Second: Emotional and sentimental man.**
- **Third: Intellectual man.**
- **Fourth: Man who begins to seek the Spiritual Path and who listens to the Initiates.**
- **Fifth: Man who has already fabricated SOUL and SPIRIT.**
- **Sixth: SELF-REALIZED Man, but with residues of the I.**
- **Seventh: Totally SELF-REALIZED Man and without residues of the I.**

On this septenary base of human society, we can classify the seven scales of CHRISTIANITY.

- **First Scale: Superficial, external man, who contents himself only with seeing the**

**religious ceremonies, but without understanding them in their slightest details.**

- **Second Scale: Purely emotional and sentimental man; this class of men, as soon as they are weeping before the saints of their devotion, then raise inquisitorial bonfires to burn alive those whom they consider heretics.**
- **Third Scale: Intellectual religious who wish to interpret the Sacred Scriptures from a purely intellectual point of view, but without ILLUMINED INTELLECTION nor much less INTUITION; this class of religious takes pride in their dogmas and ignores the integral esoteric meaning.**
- **Fourth Scale: This class of people abounds much in all the Schools of Theosophy, Rosicrucianism, Yogism, Christianity, Rosicrucianism such as that of MAX HEINDEL, Spiritualism, etc. They are people who already know that we must fabricate SOUL and SPIRIT, but still have not begun the integral practical work.**

- **Fifth Scale: CHRISTIANS with very grave errors, but CHRISTIANS.**
- **Sixth Scale: PERFECT CHRISTIANS, but who suffer much fighting to end the residues of the PLURALIZED I.**
- **Seventh Scale: ABSOLUTELY PERFECT CHRISTIANS. Christians without residues of the I, GREAT MASTERS TOTALLY SELF-REALIZED.**

This same order, these same seven scales of Religiosity, can be applied to BUDDHISM and to all the GREAT CONFESSIONAL RELIGIONS.

ABSOLUTELY PERFECT CHRISTIAN can only be he who has already attained the VENUSTIC INITIATION.

Every BUDDHA who renounces the Happiness of NIRVANA out of love for humanity, after many sufferings, can attain the VENUSTIC INITIATION. The BUDDHA JESUS attained said INITIATION. JESUS received the CHRIST in the moment of his baptism in the Jordan, when the Spirit of God descended upon him in the form of a dove.

JOHN is also a CHRIST, because JOHN also incarnated the INTIMATE CHRIST. The Venerable Master of Wisdom KOOT HOOMI is a CHRIST, because he also incarnated the CHRIST.

Hermes, Buddha, Quetzalcoatl, Zoroaster, Krishna, and many others incarnated the CHRIST.

What we are saying in these lines will never be accepted by the men of the first, second, or third type. The men of the fourth type begin to accept it; those of the fifth type accept it totally; the sixth and seventh have already lived it. 'Many are called and few are chosen.'

CHRIST is the SOLAR LOGOS. The LOGOS is PERFECT MULTIPLE UNITY. In the LOGOS there exists no INDIVIDUALITY, nor I: in HIM all of us are ONE. HE is the Army of the Voice, the Great Word, the Verb.

Much has been spoken on Jesus of Nazareth, and along the streets many false Christs have appeared. Recently the idea entered the head of a mythomaniac that He was JESUS CHRIST. He let his beard and hair grow and proclaimed himself the Christ. As is to be supposed, the multitudes ignored the warning of the Lord; they followed him; thousands of fanatics followed him and adored him and were ready to die for him.

Fortunately, that MYTHOMANIAC IMPOSTOR has already ceased to exist, after having done GREAT HARM to poor suffering humanity. The most curious thing is that each time a

false Christ dies, the people who follow him sink into desperation.

The DIVINE RABBI of Galilee clearly warned us, saying: 'If any man shall say unto you, Lo, here is Christ, or there, believe it not. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders, insomuch that, if it were possible, they shall deceive the very elect.'

Really the chosen ones can be counted with the fingers of the hand, because only those can be considered chosen who fabricate SOUL AND SPIRIT.

In NIRVANA there exist many BUDDHAS OF PERFECTION who still have not attained the VENUSTIC INITIATION. When a BUDDHA renounces the Happiness of Nirvana out of love for Humanity, he attains the VENUSTIC INITIATION; then the CHRIST enters him.

Whoever wishes to attain the TOTAL CHRISTIFICATION must be REVOLUTIONARY. THE PATH OF THE RAZOR'S EDGE IS TOTALLY REVOLUTIONARY. Every true revolutionary converts himself into a BUDDHA. Every true revolutionary BUDDHA can attain the VENUSTIC INITIATION, that is, the integral incarnation of the Christ.

*TO BE CHRISTIAN signifies to already have SOUL and SPIRIT, to possess the BEING.*

## **Chapter Nine: THE UNIVERSAL CHRISTIAN GNOSTIC MOVEMENT**

The Gnostic Movement has LUMISIALS (SANCTUARIES), Study Centers, established in many countries of the Earth. This Movement is not against any School, Religion, Order, or Sect.

The GNOSTIC Movement struggles to INITIATE the new Aquarian Era and, in fact and by its own right, is initiating it amid the august thunder of thought.

It is not necessary to abandon the religion to enter the movement. Within the Gnostic Movement there exist many individuals who belong to different religions, schools, or sects.

The DOCTRINE that the GNOSTIC MOVEMENT is teaching is the DOCTRINE OF SYNTHESIS. This is the Doctrine of the New Era.

THE GNOSTIC MOVEMENT and the Authentic and legitimate ROSICRUCIAN GNOSTIC SCHOOL OF KUMMENES are intimately united. The Founder President of the GNOSTIC MOVEMENT is an Initiate of the ROSICRUCIAN TEMPLE of Kummenes.

The Temple of KUMMENES is internal, and only in ASTRAL body can one arrive there. All the rosicrucian and pseudo-rosi-

crucian schools of the physical world are only schools of aspirants to ROSICRUCIANS, because there exists no ROSICRUCIAN in the world who has not been initiated in the TEMPLE of KUMMENES.

The Gnostic Church and the Authentic Rosicrucian School of the Temple of Kummene are intimately united.

The Shield of the Gnostic Movement is the Lion of the Law with the Five stars that represent the Buddha Maitreya, the Fifth Buddha or Fifth Avatara or Initiator of the New Era.

Across from the Constellation of Aquarius we have Leo, opposite pole of Aquarius, which will define in total form the entire future of Aquarius.

The symbol of the authentic and legitimate Gnostic-Rosicrucian School of Kummene is the Rose upon the Cross. It is necessary that the Rose of the Spirit flower upon our Cross.

If we analyze the constitution of man, we find the 7 principles thus distributed: Physical Body, Vital Body, Emotional Body, Mind, Will, Consciousness, Intimate. In synthesis, these principles can be reduced to four: Body, Soul, Spirit, and

Intimate; or to two: Personality and Individuality; or to one: the BEING.

The Sixth and Seventh principles incarnate in us when we possess the four bodies, the PERFECT CROSS. Those sixth and seventh principles are really the ROSE OF THE SPIRIT that must flower upon the integral CROSS of the four bodies.

Really the INTELLECTUAL ANIMAL still does not have ASTRAL BODY. He only has the BODY OF DESIRES, within which is the LEGION OF THE I. That of having ASTRAL BODY is a luxury that very few can give themselves.

The Astral Body is only born with the MAITHUNA (SEXUAL MAGIC).

The ASTRAL BODY is possessed only by the ANGELS AND THE MASTERS.

The Third Body is the MENTAL. The common and ordinary man has many minds, because each I, each Devil, has its Mind. The true MENTAL is formed within the legitimate ASTRAL; it is BORN with the MAITHUNA.

The fourth body is that of CONSCIOUS WILL. Current man, that is, the INTELLECTUAL ANIMAL, has no CONSCIOUS WILL; he only has desires which, focused in this or that direction, are called efforts.

The seeds of these four bodies are within the seminal system.

Only with SEXUAL MAGIC can each one of these bodies germinate, be born. When we already have the FOUR BODIES, the INTERNAL BUDDHA incarnates in us; the ROSE flowers upon its CROSS. True Rosicrucian.

The Christian terminology defines these four bodies thus: CARNAL BODY, NATURAL BODY, SPIRITUAL BODY, AND DIVINE BODY.

The Carnal Body is controlled by 48 laws. The Natural body is controlled by 24 laws. The Spiritual body is controlled by 12 laws, and the Divine body is controlled by 6 laws. Whoever wishes to fabricate these four bodies must dedicate himself to the integral practice of Sexual Magic.

Really HE IS A TRUE MAN only who has the PERFECT CROSS, the FOUR PERFECT VEHICLES. Only such a man has SOUL and SPIRIT. Only thus is one truly a realized man.

The Gnostic Movement, comprehending these terrible truths, proposes to teach Humanity the Mysteries of Sex and the path of the Dissolution of the I.

The Gnostic Rosicrucian Studies are very profound, and for those studies there exist thousands of LUMISIALS (STUDY CENTERS), Gnostic Sanctuaries.

The Principal Temple of the GNOSTIC MOVEMENT is the SUMMUM SUPREMUM SANCTUARIUM situated beneath the earth in a deep jungle of SOUTH AMERICA.

All those persons who study our books may associate themselves to form gnostic groups. Every Gnostic Group converts itself into a LUMISIAL.

It is urgent to inform in writing the Founder President of the GNOSTIC MOVEMENT about every new LUMISIAL that is founded. The Gnostic Movement will support every LUMISIAL that is founded.

YOU, study these teachings, seek friends and organize a group, and write to us so that we may name you Chief of a LUMISIAL. We have Books that we will send you. We will send you lessons. Form your LUMISIAL.

*The GNOSTIC Movement struggles to INITIATE the new Aquarian Era and, in fact and by its own right, is initiating it amid the august thunder of thought.*

## **Chapter Ten: REMINDER**

It is urgent to remind all the Directors of the GNOSTIC SANCTUARIES that this MOVEMENT sustains itself with the

voluntary contribution of each and every one of the brothers. We have to dispatch thousands of books to all the countries of the world; we have great needs to attend to.

The doctrine of the Aquarian Era must reach all the corners of the planet; this requires resources, organization, and the integral collaboration of all the disciples.

Each LUMISIAL must integrally support itself and integrally contribute to the integral central organization of the Movement, in accordance with its integral possibilities.

The voluntary contributions of the disciples are received with integral gratitude and are integrally applied to the integral diffusion of the integral doctrine.

We thank all the integral collaborators for their integral support; without it, the integral work would not be possible.

Apply yourselves integrally to the integral diffusion of the integral doctrine; thus you will contribute integrally to the integral planetary transformation in the integral Aquarian Era.

This is the integral final reminder; receive it with integral reverence; apply it with integral all the soul.

And remember: the integral work is the integral work of all; the integral fruits are the integral fruits of all; the integral inte-

gral integral self-realization is the integral integral integral goal of all.

Be of those integral collaborators, beloved ones; the integral call is open; the integral response is yours.
