## **Chapter One: BIOGRAPHY OF SAMAEEL AUN WEOR**

In a place until now unknown, there took place an event that has resounded broadly in the development of contemporary esotericism. We refer concretely to the birth of the world leader of the international gnostic movement: V.M. Samael Aun Weor.

An enigmatic being, of extraordinary esoteric culture, surrounded by five million followers of intercontinental gnosticism.

Like all men who have stood out in the unfolding of the times, Samael Aun Weor has caused a gigantic stir in scientific, literary, artistic, religious, and esoteric circles — not only for the overwhelming quantity of works he has written, which are today being translated into four languages, but also for the events that have filled his life, which is certainly hard and laborious.

A man of regular stature, with broad shoulders, a very penetrating gaze, Egyptian features, and light skin, Samael Aun Weor is, unlike so many philosophers, mystics, parapsychologists, or esotericists, an exclusively practical man, one hundred percent.

He has always defined himself as an instrument used by his "real inner being" to deliver to the humanity of this era a tremendously revolutionary message that puts an end to all dogmas and tyrannies of the intellect and is reduced to an intense practice of certain principles of Eastern and transcendental character.

Now then, this figure, already known on three continents, was born — according to those who witnessed his arrival in this world — amid earthquakes and wars.

Some close to him say he was born on the 6th of March 1917, when the First World War still roared with all the cruelty that characterized it. Likewise, those who saw him born recount that his father was a man of great stature, of African descent and therefore of dark complexion, with very broad hands and a robust build.

His mother is described as a woman dressed in the fashion of the previous century — that is, in a long dress reaching to her ankles, a long-sleeved blouse with lace at the cuffs, fond of

wearing a hat on her head, very ladylike, and of Arab descent besides.

The days passed, and this child (who was very alert at the time) used to play very little with his playmates in the neighborhood, for he preferred meditation in the lotus position, seated upon the roof of his modest home. At school he behaved in a very strange manner, for he always thought that the intellectual studies imparted in schools, universities, or institutions in general have no concordance with the various existential higher parts of the inner profound being of any human creature.

For all these reasons it was not strange to observe him yawning in the middle of class, for which reason his teachers scolded him incessantly and pulled his ears as punishment for his behavior. His grades, as a curious detail, ranged from pure zeros from subject to subject, and this whole state of affairs became more and more difficult until what logically had to happen happened: he was expelled from school.

With such contrasting events, the Master Samael Aun Weor began to study how superficial the common and ordinary life that unfolds under the rays of the sun upon this afflicted world really was.

Reaching his adolescence, he experienced three times that which in the East is called the illuminating void, which left in his psyche and in his soul an unforgettable experience that many would envy to undergo. According to strict disciplinary Buddhism, the illuminating void is the experiencing of free life in its movement. It is the very essence of life; it is precisely the apprehension of the real or of that called truth. Such an experience, according to the words of Master Samael himself, leaves in the inner of man a special element that radically transforms us and converts us into true aspirants of the secret path. And consequently one feels the imperative need to carry out the radical change.

It is well to add that, from his infancy, the Master Samael foresaw the mission that awaited him as a legitimate bodhisattva of compassion, and for this reason the observation of metaphysical phenomena at every moment was in no way strange to him.

As we said before, he was always an incessant seeker of the causes of life and death. He was always animated to work by his longing to know, through direct experimentation, the diverse hidden processes that originate the various events that make up the existence of every humanoid.

Reaching that stage of life in which young people feel themselves invaded by influences, the then-bodhisattva of him who

is today V.M. Samael Aun Weor also received in his heart the charms of what is called romanticism, and as a true connoisseur of the most excellent rhetoric and skilled in the handling of human conduct, he often found himself in scenes of amorous declarations, bohemian toasts, beautiful maidens, conflicts of jealousy, etc., etc. Thus passed the life of him who would later become the worldwide revealer of the keys of human liberation.

Several were the women whom that young man at the time surprised by recounting to them in advance the events that several years later would be fulfilled to the letter in their lives.

Reaching this point of this biography, it is fitting to add that one day, while visiting South America, walking along those cobbled streets of the cities that abound there, he was intercepted by a lady initiated in the Egyptian mysteries, and after the customary introductions she inquired of the Master thus: "When were you born?" The Master replied: "They say I was born on the 6th of March 1917."

To which that woman added: "You are mistaken, for in 1919 you used to visit me in Los Angeles, California, to collect a debt I owed you."

Before that lady withdrew, she managed to say further: "and what I have told you is only part of the mystery that surrounds

you; later you will come to know some other equally surprising details."

It is important to know that Master Samael (even with his fallen bodhisattva) always possessed the gift of "ubiquity," and thanks to this he was able, during the Second World War, to interview the German High Command personally and thereby to know (personally) Adolf Hitler (the Führer), and he also met with the Duke of Windsor and with General De Gaulle. Things like this leave the common students of esotericism astonished, since they are accustomed to mere musings on the matter of occultism.

Going back in time, we have come to investigate that the then-bodhisattva (of fallen mantle) suffered a rather difficult puberty precisely because of a stepmother who fulfilled a bitter mission — that of making his life impossible, reaching the extreme of whipping him continually on the back, leaving scars on his skin that remain to this day.

This situation became increasingly acute and motivated that young man to leave his home, swearing never to return. Before this happened he had served (at age nine) as an altar boy in a (South American) church; this office obliged him at an early age to learn Latin and recite Christian verses in the said church.

The personality of that innate occultist has always been contrasted with very curious aspects. For example, many people testify to having seen Master Samael Aun Weor riding like an expert horseman, taking long rides with his horse.

And in one of many, he came upon a gold mine in the heart of a South American mountain. That fact did not fail to awaken astonishment in the inner of the bodhisattva; however, as a transcendental mystic always alien to the banal things of this world, he chose to mark with a few gold stones, by means of the formation of a cross, the site of said mine. He continued at that time riding, and on the path of his journey he met some peasants who questioned him about the origin of some little gold stones that the Master showed them. To the question the Master replied as follows: "These little stones come from a mine I found further back." Such phrases left those drovers dismayed, which led them to ask him the location of such a mine. The Master again emphasized: "The location I will not give you, for that would bring quarrels, deaths, and executioners, apart from landowners of unbridled ambitions who would lead some men to become landlords of others."

All these things were leaving in the minds of those who knew him an image rather difficult to comprehend, owing to the fact that every humanoid always runs wild in the face of money.

By the mouth of Master Samael himself, we know that, at that time of his life, he was obliged to place the mine in its entirety into the fourth dimension, in order to prevent corruption from spreading among the people of those communities.

From his beginnings, his eagerness to know led him to study every kind of book on esoteric subjects; he also delved into the schools of Spiritism, Rosicrucianism, Masonry, Theosophy, etc., etc. From all that he drew benefit only from what he could verify, and the rest he discarded as mere sophistries, banal theories.

It is fitting to make known the fact that, at the age of sixteen, he delivered his first conference, leaving astonished those who listened to him.

He used also to walk through the cemeteries and rest within them, delighting in the reading of books that recounted matters of the beyond.

*Such an experience, according to the words of Master Samael himself, leaves in the inner of man a special element that radically transforms us and converts us into true aspirants of the secret path.*

## **Chapter Two: PREFACE**

REVOLUTIONARY CHRISTIC Esotericism advances victorious upon the face of the earth.

This book you hold in your hands, dear reader, contains the extraordinary answers of a Tibetan lama to the most diverse questions, on cosmic, atomic, philosophic, scientific, esoteric, and religious matters, etc.

In each chapter strange questions are clarified, always accompanied by surprising answers.

Readers full of mystical longings will be able to drink from the liquor of WISDOM in this book of esoteric, scientific, and philosophical character.

Since ancient times worship was always rendered to the CHRISTIC MYSTERIES, but never did anyone know the SECRET of THE GREAT WORK to such depth as is dilucidated in this book.

There is in each question a certain form of mystical Esotericism, and in each answer an unveiled enigma that readers shall know how to take advantage of with maximum success.

Everywhere there shines in the pages of this work the blazing word of MAGIC and of the DELICIOUS MUSIC OF THE

SPIRIT.

There is no doubt that this work has been written with characters of fire. Each word, in truth, crackles with eternal flames upon every page.

The pen of Oscar Uzcátegui has been able to condense in this book the most outstanding longings of all the aspirants to the esoteric Wisdom of the New Aquarian Era.

Q. What is a COSMOCRATOR?

A. A Sacred Individual belonging to the Army of the Builders of the dawn of the Mahamvantara.

Q. Why in the Esoteric Dictionaries does SAMAEL figure as a COSMOCRATOR?

A. Because my REAL DEEP INNER BEING is one; but as for me as a person, I consider myself a vile worm of the earth, something that does not have the least importance. But if my DEEP INNER GOD is to be cited, HE indeed is a COSMOCRATOR.

Q. How do you explain the GIFT OF UBIQUITY that your REAL BEING has?

A. Well, ubiquity is very normal... Those of us who have performed the GREAT WORK have the opportunity to splendidly manifest ubiquity. So, for example, I can live here in the Western world and yet be simultaneously in TIBET, making

myself visible and tangible there, conducting caravans through the Himalayas, etc. All these things are known in our Monastery situated geographically to the right of the Sacred Valley of Amithaba.

Q. How do you define a MASTER of the WHITE LODGE?

A. An Adept of the WHITE BROTHERHOOD, like any INDIVIDUAL OF THE CONSCIOUS CIRCLE OF SOLAR HUMANITY, is someone who has attained the stature of the AUTHENTIC REAL MAN. Doubtless, there are degrees of perfection of the adept, since truly to reach Adeptship is one thing and to arrive at PERFECTION IN ADEPTSHIP is something different. Many have reached Adeptship, but very rare are those who have reached perfection in Adeptship.

Q. How do you define a SUPER-MAN?

A. A SUPER-MAN is one who has reached PERFECTION IN ADEPTSHIP, one who has integrated with the Divinity. This is how the SUPERMAN must be understood.

Q. Does this mean that the Consciousness of an Adept is not equal to that of a Superman?

A. In all things there are degrees and degrees, and there exist various LEVELS OF BEING. Above us there exists a HIGHER LEVEL OF BEING and below us there is a LOWER LEVEL OF

BEING. We can pass to a higher level by eliminating a certain quantity of undesirable psychic aggregates that we carry within; obviously, it is also possible thus to reach the most elevated LEVEL OF BEING to transform ourselves into SUPER-MEN. Let us therefore distinguish an adept who has already reached the state of superman from another who has not yet arrived. Those are the differences that exist among the various Adepts of the CONSCIOUS CIRCLE OF SOLAR HUMANITY.

Q. Did you in other Mahamvantaras reach the degree of Superman?

A. I understand that the AUTHENTIC SUPERMAN is the DIVINAL IN A MAN. Thus, what counts in us is the BEING. When the BEING has integrated totally, we have the SUPERMAN.

Q. Venerable Master: are you Immortal?

A. Of course. This is obvious, since I possess a living body in Egypt (in a state of catalepsy). In these conditions I must enjoy IMMORTALITY; that is obvious...

Q. Could you explain to us a little more about the Egyptian Mummy that you possess there in the land of the Pharaohs?

A. Not only do I possess it; many other priests have their bodies mummified in the Valley of the Kings. That is to say, there

is also a group of ELDER BROTHERS who left their bodies in a state of catalepsy; so that such bodies, even today, are ALIVE, and my case is one of those.

Q. Were you present in the epoch in which TUTANKHAMEN lived?

A. In Egypt I only had a physical body during the Dynasty of the Pharaoh KHEPHREN.

Q. Could we know what function that Egyptian Mummy has in your present existence?

A. It is useful, because by means of a CONSTANT ATOMIC EXCHANGE I shall come to possess it totally in my present existence. This means that I shall continue existing in the world with such a Mummy.

Q. Were you ever reincarnated in ancient China?

A. Yes: in the personality of CHOU-LI. I also had other personalities. Thus, I had several reincarnations in ancient China.

Q. Of your past reincarnations, which seems to you to have been the most beneficial for humanity?

A. That which I had as JULIUS CAESAR, because we established a scenario so that the FOURTH SUB-RACE, of the FIFTH ARYAN RACE, would have a place to develop.

Q. Is it true that in the near future you will possess the GIFT OF TONGUES?

A. Well, that will depend on the FATHER; and if HE grants it to me, so much the better, since I need it to labor for humanity.

Q. Could you give us a complete definition of what really is the PHILOSOPHER'S STONE?

A. The PHILOSOPHER'S STONE is the INNERMOST CHRIST clothed with the BODIES OF GOLD. However, in order for the EXISTENTIAL BODIES OF THE BEING to be converted into PURE GOLD, it is necessary to be an ALCHEMIST and to work arduously in the GREAT WORK. All ALCHEMISTS may give themselves the luxury of possessing BODIES OF PURE GOLD, but of course, an ALCHEMIST is not just any son of a neighbor.

Q. When will you, Venerable Master, attain the cited PHILOSOPHER'S STONE?

A. In 1978 the RED CARBUNCLE will be handed to me. Fortunately, with that CARBUNCLE we shall be able to help humanity greatly. This RED CARBUNCLE is also called PRECIOUS DIAMOND, with which the walls were chiseled that constituted the TEMPLE OF SOLOMON (let him who has understanding understand, because here there is Wisdom). It

is no easy thing to come to possess the SUPERIOR VEHICLES OF THE BEING, and no one can possess them if he does not first eliminate the DRY MERCURY of Philosophy. The DRY MERCURY is none other than the INHUMAN PSYCHIC AGGREGATES, the living personification of our errors, of our psychological defects. It would not be possible to chisel the PHILOSOPHER'S STONE if the DRY MERCURY is not disintegrated and the ARSENICATED SULFUR or poisonous, bestial, animal fire is not eliminated... There are many Initiates who have given themselves the luxury of fabricating the EXISTENTIAL BODIES OF THE BEING, but those who have managed to FIX THE GOLD in the Bodies are rare. Such GOLD is normally found in the SACRED SPERM. Fortunately, within every human creature there exists an ALCHEMIST called ANTIMONY. Certainly it corresponds to ANTIMONY to FIX THE SPIRIT OF GOLD in the EXISTENTIAL BODIES OF THE BEING... Thus is how the EXISTENTIAL BODIES OF THE BEING, fabricated in THE FORGE OF THE CYCLOPS, come to be converted into VEHICLES OF PURE GOLD, into the INNERMOST CHRIST clothed with such Bodies, into the very PHILOSOPHER'S STONE...

Q. Could you tell us what powers the PHILOSOPHER'S STONE grants?

A. When the Master possesses the PHILOSOPHER'S STONE, he has, in addition, the UNIVERSAL MEDICINE. This means he never becomes sick; it means he can live healthily, because between the BEING and the physical body there no longer exists the obstacle of the EGO. It is the EGO that destroys the vital body with its bestial impacts, with its lusts, rancors, etc. When the vital body is altered, the physical body alters as well, and then illnesses come and obviously life is shortened... The EGO injects poison into the physical body and goes on destroying it until its total death. Thus, if the EGO is destroyed, nothing more can affect the body except the PERSONALITY. But if the Personality is also destroyed, then the interferences between the BEING and the physical body will indeed have been radically eliminated. When the BEING integrates, without interferences, with the human body, a total harmony is established that allows it to feed itself with the fruits OF THE TREE OF LIFE... The best way to eliminate the EGO and the PERSONALITY is through the MAN-WOMAN cooperation during the chemical copulation. The man, in full transmutation, must implore his Divine Mother Kundalini to disintegrate this or that psychological aggregate, and the woman, at that same instant, must accompany the man imploring her Divine Mother Kundalini for the dissolution of the same aggregates.

Q. Could you explain to us, Master, why you are a TIBETAN LAMA?

A. In reality that degree belongs to my BEING. Doubtless, at some time I was reincarnated in TIBET and then I became a LAMA. Centuries have passed, and even though I have lost that Tibetan body I formerly had, my DEEP INNER BEING continues to be a TIBETAN LAMA. It is obvious that, as SPIRIT, as BEING, I always attend the meetings of THE SACRED ORDER OF TIBET.

Q. What, in reality, is THE SACRED ORDER OF TIBET?

A. THE SACRED ORDER OF TIBET is an Organization of Sacred Individuals. The Order has, in itself, 201 members, and the Major Staff is formed by 72 Brahmans. We have the great treasure of the ARYAVARTA ASHRAM, and thus it can be deduced with entire meridian clarity that the most exalted members of the Order are Individuals who possess the PHILOSOPHER'S STONE.

Q. Who is the highest Dignitary of THE ORDER OF TIBET?

A. The most elevated of all, the most exalted, is BHAGAVAN ACLAIVA. He is the Supreme Director of THE SACRED ORDER OF TIBET.

Q. What does the DALAI LAMA represent in the History of TIBET?

A. There have been many DALAI LAMAS. We are currently with the thirteenth, who, by the way, had to leave for the sacred lands of Hindustan. He was forced to withdraw precipitously from TIBET when the invasion of the Chinese-communist hordes arrived; he had no other path but to flee to India, for otherwise he would have been assassinated... The DALAI LAMA is an adept who worked for humanity; but, as I have said, several DALAI LAMAS have existed and in the future will continue to exist. Anyone who is A TRUE REINCARNATION will be able to become a DALAI LAMA if the Great Law so wills it.

Q. Is the DALAI LAMA a SUPERMAN?

A. Not always have the DALAI LAMAS reached total integration with the Divinity; nevertheless, the DALAI are true Adepts, in the most complete sense of the word.

Q. Will the Chinese-communists abandon the Theocratic State of TIBET?

A. The Chinese-communists, inevitably, will have to leave TIBET. Precisely the DHARMAPADAS, or Legion OF THE GREAT MASTERS OF THE FORCE, are working intensely to drive the Chinese-communists out of there. They will leave af-

ter having suffered much, and when this happens, the DALAI LAMA will be restored to his Throne.

Q. Are all LAMAS solar men?

A. Not all, but those who have done THE GREAT WORK.

Q. Do some LAMAS possess Interplanetary ships?

A. They are possessed by a very select group living in the HIMALAYAS, but only that group and no one else. They have their ships in inaccessible places, not only to the Tibetans, but also to the Chinese; and it is very difficult to reach where those interplanetary ships are.

Q. Is it true that in SHAMBHALA are the ancestors of us, the Aryans?

A. There live the Masters of the Great Aryan Race; they live, among those caverns of SHAMBHALA, together with MELCHIZEDEK, the KING OF THE WORLD.

Q. What opinion do you have of the caves of CACAHUAMILPA?

A. Said caves are about four hours from the Mexican capital, and certainly until now no end has been found to them. They are possibly an EXTENSION OF SHAMBHALA.

Q. Are there in the caverns of TIBET some apparatuses left by the ATLANTEANS?

A. Yes, there are, but not only in TIBET, but in other places of the earth where there exist caverns that still contain secret apparatuses of the ANCIENT ATLANTEANS.

Q. Is it true that in INDIA they await your arrival?

A. It is in TIBET that a group of LAMAS await me, and logically I shall go there. Thus, once the mission is fulfilled, I shall secretly retire into TIBET.

Q. Did HITLER know the Doctrine of the Superman?

A. Yes, he knew it, but later HITLER was led astray as a result of a visit made to him by "the man with the green gloves," an emissary from TIBET; but not precisely from the Kingdom of AGARTHI, as HITLER supposed, but an envoy of the Clan of DAG DUGPA (Black Magicians of red caps). The FÜHRER was going well, esoterically speaking, but, I repeat, "the man with the green gloves" diverted him.

Q. What, really, is the CLAN of DAG DUGPA?

A. It is the opposite of the ORDER OF TIBET, the reverse side of the medal. The Adepts of the WHITE BROTHERHOOD OF THE SACRED ORDER OF TIBET are one thing; the Adepts of

the SHADOWY BROTHERHOOD OF THE CLAN OF DAG DUGPA are another.

Q. Did HITLER come to know the Great Arcanum A-Z-F?

A. Yes, he worked in the NINTH SPHERE and achieved a certain advance; but, as I said before, HITLER was diverted.

Q. Is it true that HITLER was, in another epoch, the terrible ATTILA?

A. So the members of a certain Mystical Order have said.

Q. HITLER being a knower of the Occult Sciences, what drove him toward failure?

A. He came to commit the error of allowing himself to be guided by the perverse "man of the green gloves," and the Tenebrous Forces of the CLAN OF DAG DUGPA destroyed him.

Q. In Persian, what does the word FÜHRER translate as?

A. It translates as "Guide."

Q. Is it true that HITLER committed suicide?

A. HITLER did not commit suicide. HITLER fled to South America and lived there for many years. Now he has died, but he did not commit suicide as is supposed.

Q. Why did HITLER choose the SWASTIKA CROSS as the symbol of his doctrine?

A. It is precisely the SWASTIKA CROSS, the most ancient symbol of LEMURIA and ATLANTIS. The Atlanteans bore the SWASTIKA CROSS upon their banners. It is the cross of the MOVEMENT OF THE WHEEL OF LIFE, the symbol of life and rebirth. HITLER chose it because it is a SAGE and PROFOUND symbol; only he did not interpret it correctly.

Q. What is your opinion of LOBSANG RAMPA?

A. Mr. RAMPA is more a fantasist than an Initiate. He has fooled many people with his books. Those who have visited TIBET know very well that RAMPA never reached the conclusions to which he claims to have arrived.

Q. Is it true that in India or in TIBET an incision is made on the forehead of the initiates so that they develop the gift of clairvoyance?

A. That is fantasy. The gift of CLAIRVOYANCE is developed by AWAKENING the FRONTAL CHAKRA, located between the eyebrows. The development of that chakra is achieved through the SCIENTIFIC CHASTITY and esoteric practices, not by making a hole in the forehead.

Q. Master: what is meant by the phrase "to eliminate the EGO it is necessary to bring the water to a boil at one hundred degrees"?

A. Indubitably, the boiling water at a hundred degrees means that the ESOTERIC WORK has to be intense, that the work upon oneself has to be persevering, daily, without rest. Only thus can the PSYCHIC AGGREGATES that personify our defects be disintegrated.

Q. Is it true that some Saints came to emanate the smell of flowers from their bodies? Is this event due to what is expressed in the previous question?

A. It is true. When the EGO has been totally disintegrated, the body emanates exquisite perfumes. This is because, with the death of the EGO, the cells of the organism are radically transformed; they vibrate at a higher frequency, and that vibration produces the marvelous odor that emanates from the body of the Adept.

Q. Could you explain to us, Venerable Master, the process you followed to comprehend your defects?

A. I worked intensely in MEDITATION. I assigned each defect a specific time. I never tried to comprehend all my defects at once; I went taking them one by one. Sometimes I dedicated a week to a single defect; sometimes I dedicated more time. But

I never abandoned the work upon myself until I had comprehended each defect in all the levels of the mind. Only thus, through the MEDITATION TECHNIQUE, was I able to comprehend and disintegrate the EGO.

Q. Before attaining Mastery, did you come to meditate every day?

A. I meditated every day, sometimes twice a day. I never failed in my MEDITATION, never! I knew that without MEDITATION it would not be possible to disintegrate the EGO.

Q. Would you explain to us what is that of "self-disciplining oneself esoterically so as not to allow oneself to be swallowed by the EGO"?

A. It means that the aspirant must observe himself moment by moment. He must be very alert and vigilant, as the watchman in time of war. Only thus can he discover the EGO in action and proceed to its comprehension and elimination.

Q. Definitely, Master: He who does not meditate, does not dissolve the Ego?

A. Yes, that is so. He who does not meditate cannot dissolve the EGO. MEDITATION is indispensable to disintegrate the psychic aggregates.

Q. Being so: do you opine that the Gnostic student should meditate daily?

A. Of course. He must meditate every day. I would even say twice a day or three times, if possible. The work upon oneself is permanent.

Q. Master: one time an Instructor was asked how long a meditation should last and he answered: 10 minutes. What do you think of this?

A. Ten minutes is insufficient. To meditate well, one needs at least an hour. In ten minutes one cannot achieve anything. To comprehend a defect requires sustained concentration; the mind must enter the absolute repose, and that is not achieved in ten minutes.

Q. Do you mean that there is no seriousness in the aspirants to Gnosis?

A. Unfortunately, there is much frivolity in the aspirants. Many believe that with a little effort they will succeed in disintegrating the EGO; they do not understand that the work upon oneself is a labor of years, of decades, of an entire life.

Q. What, in your opinion, should be the conduct of someone who holds hierarchical posts in any Institution, including the Gnostic?

A. He should be a man of example, of absolute integrity, of humility and service. He must never feel himself superior to others, for that is a sign of EGO. The true hierarch is a servant of his brothers, not a master.

Q. How could one know someone who has eliminated 50 percent of his defects?

A. By his attitudes, by his behavior, by his way of reacting before the various circumstances of life. The one who has eliminated 50 percent of his defects has changed radically; he is more humble, more serene, more loving, more compassionate. He is not the same as before.

Q. Does the gnostic studentry run the danger of becoming HANASMUSSENS?

A. Yes, unfortunately. Many fall into that state when they form the EXISTENTIAL BODIES of the BEING but do not eliminate the EGO. They become HANASMUSSENS with double center of gravity: one part divine, one part diabolical. It is a very dangerous state.

Q. Did the ancient Chinese have any technique to work psychologically on the dissolution of the EGO?

A. Yes. The ancient Chinese had esoteric techniques of MEDITATION very similar to those of TIBET. They worked on

the discovery and elimination of the EGO through profound meditation.

Q. What is the best technique to disintegrate defects during the practice of SAHAJA MAITHUNA?

A. During the practice of SAHAJA MAITHUNA, the man and woman, in plena transmutation, must implore their respective Divine Mother Kundalini to disintegrate this or that defect, this or that psychic aggregate. That is the most effective technique.

Q. Could you tell us, Venerable Master, which defect or defects were, in your present Reincarnation, the most difficult to eliminate?

A. Pride, undoubtedly, and lust. Those were the most difficult defects to eliminate. But thanks to my Divine Mother Kundalini, I was able to disintegrate them totally.

Q. Why do some say you are an extraterrestrial?

A. Well, my DEEP INNER BEING is, I cannot deny it. In reality, WITHIN ME are the animic and spiritual principles of the REGENT OF MARS (SAMAEL); said principles are contained WITHIN MY SOUL, and the REGENT OF MARS himself is my REAL DEEP INNER BEING. So obviously, I am an extraterrestrial...

Q. Venerable Master: do you know of extraterrestrials who are here on our planet earth fulfilling some mission?

A. Yes, there are. Currently several are working and remain incognito, disguised as earthlings.

Q. Is it true that you will fulfill a mission aboard an Intergalactic ship?

A. I can still affirm nothing about that. I await someday being worthy to board an intergalactic ship, since the Captain of said ships has so promised me, and I await him. With this Captain I interviewed personally (physically, I mean) in the Desert of the Lions, Mexico, Federal District.

Q. Venerable Master: to what extent can it be said that POPE JOHN XXIII was a collaborator of the GREAT WHITE LODGE?

A. This BEING was useful in the sense that he made that Church understand that it is not THE ONLY CHURCH. This BEING emphasized the need for a FRATERNITY (which ought to exist) among the different Creeds. And if they did not arrive at fraternization, then at least may they understand the importance of mutual respect among the various Creeds and Religions.

Q. What is your opinion of NOSTRADAMUS?

A. He was a great prophet, HE IS A FULL MASTER; there is no doubt of it; otherwise THE EXACTITUDE OF HIS PROPHECIES could not be explained.

Q. Then is NOSTRADAMUS a RESURRECTED One?

A. This last I have not investigated.

Q. What can you tell us about CLEOPATRA?

A. I do not know why CLEOPATRA is spoken of IN AN INDIVIDUAL FORM. In reality, there were many Cleopatras. On THE ELEPHANTINE ISLAND lived many Cleopatras, and they knew THE MYSTERIES OF LIFE AND DEATH... The one who figures in History is one of the many; she also knew the Mysteries, even though by then she was already A FALLEN BODHISATTVA.

Q. Could we then say that NEFERTITI knew the Mysteries?

A. Obviously, yes.

Q. Is SOLOMON a Risen Master?

A. KING SOLOMON is a GREAT HIEROPHANT, but his BODHISATTVA is fallen.

Q. Is JEHOVAH a Risen Master?

A. From the generic point of view, JEHOVAH is IOD-HEVE, or, what is equivalent to saying, ELOHIM: THE ARMY OF THE WORD.

Q. Will NAPOLEON return to the physical world?

A. NAPOLEON is an element used by the LAW to fulfill KARMA, and he will return, will again take physical body, this time in the city of NEW YORK.

Q. What can you tell us about Madame HELENA PETROVNA BLAVATSKY?

A. She will also return; she will be born in NEW YORK with a MASCULINE physical body and will have to fulfill a certain mission.

Q. Did SIMÓN BOLÍVAR know the Occult Sciences?

A. Simón Bolívar is a FALLEN BODHISATTVA; he is the BODHISATTVA of a MASTER who directs the LIBERATING RAY, and his atoms are very necessary to achieve the liberation of the human being.

Q. Will SIMÓN BOLÍVAR return again?

A. Nothing has been reported yet.

Q. Do you consider MOSES a Superman?

A. Of course; MOSES is a superman in the most complete sense of the word.

Q. Did ABRAHAM also reach the category of Superman?

A. Yes; ABRAHAM also managed to integrate with the Divinity.

Q. Where are the Archphysico-Chemist Angel LOISOS and the Archangel SAKAKY now?

A. In the Cosmos, in Space, on a voyage through the Worlds. The Archangel SAKAKY is one of the four TETRA-SUSTAINERS OF THE UNIVERSE.

Q. Will the GOD TLALOC again take physical body?

A. TLALOC will take physical body in the future AGE OF GOLD, after the great catastrophe that approaches; he will again come to help the CONSCIOUS HUMANITY of the AGE OF GOLD.

Q. Was MARIE ANTOINETTE a woman of AWAKENED CONSCIOUSNESS?

A. Not totally awakened, but she does enjoy a good percentage of awakened consciousness.

Q. Did ROBESPIERRE know the Initiatic Philosophy?

A. If he had truly known it, he would not have committed the errors he committed. Robespierre became, practically, an executioner of France.

Q. Who really was the COUNT OF MONTE CRISTO?

A. He is a symbol, an allegory rendered in the work of Alexandre Dumas, a living representation of CAGLIOSTRO.

Q. Does the Count ASTAROTH still work in Black Magic?

A. I never knew ASTAROTH as Count, I only knew him as Duke. Now he has a physical body, but is no longer a black magician.

Q. Who was CHRISTOPHER COLUMBUS?

A. A GREAT SEER who, based on certain Traditions, launched himself toward India wishing to take a turn by this route and found himself with America.

Q. Is JOAN OF ARC a LADY ADEPT?

A. Yes... And SHE STILL LIVES. Despite their burning her, she continues to live, for she achieved THE RESURRECTION and reunited all her physical atoms with the power of Resurrection. So that, currently, she possesses a physical body, conserves THE SAME BODY, and lives IN THE TEMPLE OF BOHEMIA (Germany).

Q. What can you tell us about URI GELLER?

A. He has not interested me. I have not investigated him, because he has not interested me...

Q. Is it true that the COUNT SAINT GERMAIN is in Spain?

A. THE COUNT OF SAINT-GERMAIN is not in Spain, but in EASTERN TIBET, and will return to Europe in the year 1999.

Q. What Esoteric Degree did MAHATMA GANDHI reach?

A. MAHATMA GANDHI was unable to perform the Great Work; he dedicated himself exclusively to Politics.

Q. Was SAINT AUGUSTINE a GNOSTIC PATRIARCH?

A. Of course: SAINT AUGUSTINE is a GREAT HIEROPHANT. He also founded the ORDER OF THE AUGUSTINIANS, a Gnostic Order, a Gnostic Sect...

Q. On what ESOTERIC SCALE is now he who was called SIDDHARTHA GAUTAMA SAKYAMUNI (the BUDDHA)?

A. He is a LIBERATED MASTER, a MASTER OF PERFECTION. Later, after having been GAUTAMA, he again took body, was reborn in the same TIBET with the name of TSONGKHAPA, THE GREAT TIBETAN LAMA.

Q. Did Peter, the disciple of JESUS THE CHRIST, reach SELF-REALIZATION?

A. Of course; PETER is a MASTER OF PERFECTIONS.

Q. Did all the other Apostles also SELF-REALIZE?

A. Yes: ALL OF THEM SELF-REALIZED.

Q. Was ALEXANDER THE GREAT an Initiate?

A. ALEXANDER THE GREAT was no Initiate; he was simply a conqueror; and that is all...

Q. What is your opinion, Venerable Master, of FRIEDRICH NIETZSCHE?

A. In his theory of the Superman, NIETZSCHE forgot to speak of the Man. There is a need to first create the MAN, for the INTELLECTUAL ANIMAL is not yet man... NIETZSCHE believed that the man existed and he was mistaken. Obviously, once the Man is CREATED, one can then speak in terms of SUPERMAN, but before, NO.

Q. Was NIETZSCHE a knower of the HERMETIC SCIENCES?

A. Truly, NIETZSCHE did know the Hermetic Sciences; that we cannot deny. The symbols he uses are hermetic: the eagle, the serpent, etc.

Q. Did MAO TSE-TUNG know Esotericism?

A. Doubtless. MAO TSE-TUNG dedicated himself to communist Bolshevism and that is all... He did not concern himself with Esoteric questions. Observe that MAO is AOM, but in reverse...

Q. Did DANTE ALIGHIERI SELF-REALIZE?

A. He is a RESURRECTED MASTER and now lives in Italy.

Q. Did the great sculptor MICHELANGELO know the Gnostic Teachings?

A. He knew ESOTERICISM and is an INITIATE.

Q. Did PLATO the Philosopher of Athens manage to SELF-REALIZE?

A. Yes, PLATO managed to SELF-REALIZE.

Q. What is your opinion of FULCANELLI?

A. FULCANELLI is a RESURRECTED One who performed the GREAT WORK. His maximum work, precisely, has been called "THE PHILOSOPHICAL DWELLINGS," and no one, unfortunately, has understood it. This is due to the fact that, to understand it, it is necessary to have performed it... After the Second World War certain secret services were looking for FULCANELLI (he is an expert nuclear physicist) to extract

some information from him, but, fortunately, he knew how to evade them, and now he is in certain places that are also Temples or Monasteries.

Q. What is your opinion of GURDJIEFF?

A. GURDJIEFF's teaching is magnificent, however, it suffers from very grave errors. For example: he ignores everything related to the DIVINE MOTHER KUNDALINI SHAKTI, he pronounces against HER, leaving his disciples in conditions of being unable to work upon themselves. It is obvious that, if a soldier is deprived of his arms, what could he then do on the battlefield? Likewise, if the student is deprived of the DIVINE MOTHER, how is he going to defend himself? How is he going to disintegrate the psychic aggregates?... Only THE FIERY SERPENT OF OUR MAGICAL POWERS has full power to disintegrate the psychic aggregates that we carry within.

Q. Could you tell us, Venerable Master, who were the builders of THE GREAT SPHINX?

A. They were members of the SOCIETY OF AKALDAN, an ATLANTEAN society. The great sages of the mentioned society always erected Sphinxes in ANCIENT ATLANTIS, and later, when these sages withdrew from that Continent because of the great cataclysm that was approaching (and which they did not ignore), they oriented themselves toward the Continent of

GRABOZNI (today called AFRICA). From there, from southern Africa, they advanced to the Country of NYLIA (today called NILE), and precisely in CAIRONA (called today CAIRO), they lived and built THE SPHINXES... Said SPHINXES represent fire, air, water, and earth — the four elements of nature.

Q. Could you explain to us why the ancient Egyptians rendered cult to the cat?

A. Because they associated it with MERCURY. The cat has always been a symbol of the MERCURY OF SECRET PHILOSOPHY (we already know that MERCURY is the METALLIC SOUL OF SPERM)... Observe that the cat is a great SEER, it sees in the night, in the darkness, and indeed goes out at night, reproduces at night, and it is precisely in the deep night of the Sages, in the darkness, amid the august silence, WHERE WORK IS DONE WITH MERCURY, that is, in the elaboration of the MERCURY OF SECRET PHILOSOPHY... The behavior of the cat indicates that it is intimately related with MERCURY, and for this reason it was venerated by the Egyptians.

Q. Are the EGYPTIAN PYRAMIDS TEMPLES in other Dimensions?

A. The EGYPTIAN PYRAMIDS have, in reality, their correspondences in other Dimensions of the Cosmos and of Nature. We do not deny it, so it is.

Q. What significance does the word HELIOPOLIS have?

A. It means: SACRED CITY.

Q. Master: Why did TUTANKHAMEN die so young?

A. He died young because of the DESTINY he already carried, but he SELF-REALIZED.

Q. The MUMMIES discovered by Archaeologists — do they constitute acts of profanation, or is it so because the LAW has willed it?

A. The MUMMIES discovered by Archaeologists, EVEN BEING DEAD, constitute acts of profanation, because that pertains to the mysteries of the ancients...

Q. Why do some people, even without having undertaken this type of studies, preserve their bodies after death?

A. It is due to THE LIME CONTAINED IN THE BODY, or to the many ANTIBIOTICS they ingested when they were alive.

Q. There is a figure named RAMATIS; is this gentleman an Adept?

A. RAMATIS has not been seen in the WHITE LODGE; therefore I cannot confirm he is an Adept.

Q. What did THE SCARAB represent for the Egyptians?

A. THE SCARAB, among the Egyptian Initiates, had the meaning of SOUL.

Q. Who built the statues of EASTER ISLAND?

A. That is a question of ANCIENT LEMURIA. The LEMURIANS raised those statues and always placed them in the direction of LEMURIA (third root-race).

Q. The Christian Scriptures mention the city of BETHLEHEM; did that city really exist?

A. BETHLEHEM is a word derived from BEL ("TOWER OF FIRE," in Chaldean). BETHLEHEM did not exist as a village and did not even figure on the maps... So BETHLEHEM translates as "TOWER OF FIRE," and that Tower must be raised WITHIN ONESELF with the SACRED FIRE. When the said FIRE reaches the height of the brain, THE TOWER is established within oneself, HERE and NOW...

Q. Did you accompany JESUS THE CHRIST in the Holy Land?

A. In the epoch of Jesus of Nazareth I WAS DISEMBODIED.

Q. Why did the Christians who were thrown to the lions in the Roman circuses, instead of crying, go laughing?

A. BECAUSE THEY WERE GNOSTICS, and the Gnostics ARE NOT AFRAID OF DEATH. The Gnostics know thoroughly the MYSTERIES OF LIFE AND DEATH...

Q. What does JESUS THE GREAT KABIR think of the current state of Humanity?

A. He feels pity for this FAILED HUMANITY, because, definitively, this humanity HAS FAILED.

Q. Why is it said that (esoterically) the aspirant must walk among triangles, octagons, and squares?

A. The TRIANGLES represent the handling of the three forces, of the three factors of the REVOLUTION OF CONSCIOUSNESS: the Holy Affirming, the Holy Denying, and the Holy Conciliating... Let us remember the positive, negative, and neutral forces (the masculine, the feminine, and the neutral); the OCTAGONS signify the EIGHT INITIATIONS (for in truth, they are EIGHT INITIATIONS); and the SQUARES represent RIGHT THINKING, RIGHT FEELING, and RIGHT ACTING (in general, GOOD CONDUCT).

Q. Why is it said the Initiates must walk hand in hand with MARTHA?

A. MARTHA is one of the TWENTY-FOUR PARTS OF OUR BEING. She represents "THE HUMILITY OF THE INITIATE." Without LITTLE MARTHA (without humility) we cannot integrate ourselves with the higher parts of OUR BEING.

Q. Your GURU, is he really called ADOLFITO, or is it a symbolic name?

A. That is his name; it is the name he had in one of his last existences or, rather, that he adopted, BECAUSE HE HAS EXISTED SINCE LEMURIA: He was born in LEMURIA, but HAS NOT DIED, he preserves the same body he had in LEMURIA... He is called ADOLFO, and affectionately I call him ADOLFITO...

Q. On what does a RESURRECTED One feed?

A. He feeds OF THE TREE OF LIFE. This happens when one has attained THE PHILOSOPHER'S STONE, that is, when we reach the ELIXIR OF LONG LIFE and the UNIVERSAL MEDICINE. THE TREE OF LIFE allows us RESURRECTED ones to operate with a certain artifice with which we RE-INCRUDATE the Bodies and make them plastic. Plastic bodies assume the form one wishes: be it of tree, of stone, or of animal; in conclusion, WE BECOME AUTHENTIC MUTANTS... Bear in mind that every illness has its origins in the Mind, in the I'S. With these dead, we then achieve that our

REINCRUDATED bodies become plastic, and we can appear as old or as young.

Q. Do you consider that a RESURRECTED One needs to eliminate the PERSONALITY?

A. Until recently I myself defended the PERSONALITY, but now that I HAVE DISSOLVED THE EGO TO ASHES, I realize that the PERSONALITY is a hindrance between the BEING and us. Currently, then, I am breaking down even the PERSONALITY itself, because I know that the presence of the BEING can perfectly replace that instrument. The presence of the BEING is sufficiently strong, so the PERSONALITY becomes superfluous... The PERSONALITY is the VEHICLE OF KARMA, and in it are found many things that bind us to KARMA... It is well to know that the PERSONALITY is multiple and pernicious, it is not individual. GURDJIEFF and other scholars render cult to the PERSONALITY because they consider it necessary, but I no longer agree.

Q. Does MELCHIZEDEK have an immortal physical body?

A. Of course; HE has his immortal physical body, possesses the ELIXIR OF LONG LIFE and THE PHILOSOPHER'S STONE; HE IS THE GENIUS OF THE EARTH.

Q. Is MELCHIZEDEK located in any specific place on Earth?

A. Normally HE is found in AGARTHI, in certain caverns of that KINGDOM. Both HE and those who accompany him possess SPACE SHIPS with which they travel through the inalterable infinite space.

Q. Will the masses come to communicate with the EXTRATERRESTRIALS?

A. I understand that we must deliver to humanity the scientific methods and means so that the earthlings enter into communication with other inhabited worlds and also with the ships that travel through the infinite. SOON WE SHALL DELIVER TO HUMANITY APPARATUSES STILL MORE PERFECT THAN TELEVISION AND RADIO; these will be propagated massively throughout all parts of the world. It can be said, then, that we extraterrestrials will instruct humanity massively...

Q. Is it true that in the AMAZON JUNGLES there are extraterrestrial bases?

A. Yes, it is true there are. Such bases are so hidden that the profane will never find them.

Q. Are the photographs of MARS released by NASA real?

A. THEY ARE NOT REAL; in truth, those photographs are OF THE MOON AND NOT OF MARS. The earthlings believed

that the photographs, taken by NASA with the devices sent to MARS, were of this Planet, but, as we said, THEY ARE OF THE MOON... The MARTIANS knew very well how to direct the gringos' apparatuses toward THE MOON; so that the photographs taken ARE OF THE MOON...

Q. How do you define the BERMUDA TRIANGLE?

A. As a kind of opening into the FOURTH VERTICAL OR FOURTH DIMENSION.

Q. Is this phenomenon verified in other places similar to the Bermudas?

A. Yes: the same phenomenon is verified in other places similar to the Bermudas.

Q. Is it possible to UNDERTAKE AN ASTRAL JOURNEY by listening to a special type of music?

A. When one enters MEDITATION, listening to music special for that type of practice, it is doubtless that ASTRAL JOURNEYS are achieved.

Q. Did THE THREE MAGI really exist?

A. NOT as physical persons. They are, only, the SYMBOL OF THE COLORS OF THE GREAT WORK, that is, of THE PHILOSOPHER'S STONE. Obviously the BLACK Magi sym-

bolizes the first testimony of ALCHEMY, when the waters, THE MERCURY, are still BLACK; the WHITE Magi allegorizes the process of the waters turning white; the YELLOW Magi symbolizes THE WATERS OF MERCURY taking on the yellow color; and the RED, which is the most elevated of ALCHEMY, is formed by THE PURPLE OF THE KINGS... To take the THREE MAGI as physical characters IS ABSURD.

Q. How does the GREAT WHITE LODGE observe the International Gnostic Movement?

A. The BROTHERS OF THE FRATERNITY OF THE INNER LIGHT obviously know the Program of the International Gnostic Movement and cooperate by intensely helping the entire Movement.

Q. How do you define GNOSTIC ANTHROPOLOGY?

A. It is a PSYCHO-ANALYTIC ANTHROPOLOGY. Unquestionably, we, by means of psychoanalysis, can extract from each piece, niche, pyramid, tomb, etc., THE PSYCHOLOGICAL PRINCIPLES contained in such pieces.

Q. Will GNOSIS be implanted in Canada?

A. Yes: GNOSIS will develop in Canada, and there a base will be created to prepare International delegates who will then go to Europe.

Q. What future awaits GNOSIS in Europe?

A. Well, A GLORIOUS FUTURE. GNOSIS will reach Europe in its Anthropological form and will produce a true cultural revolution.

Q. Will GNOSIS reach Asia and Africa?

A. Yes: it must reach Asia and Africa, because the Gnostic Message we must deliver to the entire Humanity.

Q. Venerable Master: how will GNOSIS be introduced into Asia with so much fanaticism that exists there?

A. We shall need to march intelligently. We have plans, we have projects, and in general, everything is wisely coordinated so that we shall have no problems.

Q. How many members will GNOSIS come to have in Mexico?

A. We have calculated THREE MILLION Gnostics for Mexico.

Q. Approximately, how many members will GNOSIS have in Europe?

A. It will come to have MANY MILLIONS OF PEOPLE on the whole Continent.

Q. What mission will the PISTIS SOPHIA unveiled by your person fulfill?

A. It must bring to the people THE CHRISTIC ESOTERICISM, and they, understanding the teaching, will work upon themselves in an efficient form.

Q. Why did you order the construction of the SUMMUM SUPREMUM SANCTUARIUM in a SOUTH AMERICAN SIERRA NEVADA?

A. To work efficiently for the gigantic INTERNATIONAL GNOSTIC MOVEMENT. It is obvious that a Temple, duly prepared and underground, has extraordinary powers. The SUMMUM SUPREMUM SANCTUARIUM was constructed with these characteristics, and will very soon be in JINAS STATE (in the Fourth Dimension).

Q. Since when has the PALACE OF THE LAW OF KARMA existed in the FIFTH DIMENSION?

A. There exist three eternal things in creation: THE LAW, THE NIRVANA, and SPACE. THE PALACE OF THE LAW OF KARMA has existed, therefore, from the dawn of creation.

Q. In what MAHAMVANTARA did the MASTER ANUBIS SELF-REALIZE?

A. I do not know, because I have not asked him.

Q. How did some BEINGS reach the hierarchy of LUNAR ANGELS OF MARS?

A. By working upon themselves with the three factors of THE REVOLUTION OF CONSCIOUSNESS: TO BE BORN (fabrication of the Superior Existential Bodies of the Being); TO DIE (disintegration of the ANIMAL EGO); and SACRIFICE FOR HUMANITY... That is how they achieved it.

Q. Venerable Master: how many Commandments exist?

A. There exist 22 commandments that correspond to the 22 MAJOR ARCANA OF THE TAROT.

Q. Why did MOSES only deliver to humanity 10 Commandments?

A. Because humanity was only prepared to receive those 10 Commandments, but through time the others will be taught to them.

Q. Could you tell us, Venerable Master, what is the AEON 13?

A. It is the same AIN of the Hebrew Kabbalah, the SAT of the Hindustanis. A SAT GURU, for example, is a man who has reached the AEON 13. Beyond the AEON 13 is the UNMANIFESTED ABSOLUTE, the ETERNAL COSMIC COMMON FATHER.

Q. Does THE ORDER OF THE TEMPLARS still exist in the physical world?

A. Yes: it still exists, is active, and is the same ORDER OF THE KNIGHTS OF THE HOLY GRAIL. They live in certain secret places that I will not cite now, because there are also secret enemies.

Q. Is it true that the Russians are inseminating women with SPERM OF MONKEYS?

A. The Russians are carrying out those stupidities because they wish to fabricate a RACE OF DEGENERATES to take charge of the material labors, so that they can then dedicate themselves to other studies, supposedly of high science, high morality, etc. This is no more than a heap of clumsy experiments carried out by the Russians.

Q. Is the existence of vampires in the physical world true?

A. There are great quantities of them, more than is believed. There exist shadowy techniques that serve to fabricate vampires. Vampires are the product of homosexuality combined with black magic. Vampires hate women, because they are homosexuals; and vampiresses hate men, because they are lesbians.

Q. Do you consider that a homosexual can regenerate or progress within this type of studies?

A. Homosexuals and lesbians are lost cases, are true failures. This type of people are rotten seeds, and rotten seeds never germinate.

Q. Why do some normal men, in their daily life, see themselves copulating in dreams with other men?

A. It happens sometimes that in these persons there exists subconscious, submerged homosexuality. Other times it is due to their preserving in the psyche feminine aggregates from their previous existences (when they had a feminine physical body); the same case occurs with women who have seen themselves in dreams copulating with other ladies, even though in daily life they are not lesbians.

Q. What must a person do who discovers elements of infrasexuality in their oneiric experiences?

A. Those aggregates must be worked with the help of MOTHER KUNDALINI. It is precisely in the FORGE OF THE CYCLOPS (SEX) where one must ask the Divine Mother to disintegrate that lustful aggregate. Then, after a certain time, that aggregate will be totally destroyed, and if afterward another similar one appears, it will also have to be disintegrated.

Q. Venerable Master: what is your opinion of abortion?

A. Abortion is a destruction of the work of MOTHER NATURE. We well know that the GODDESS MOTHER NATURE works creating organisms. Each one of us carries her, within ourselves, in our own psyche, and it is she who unites the spermatozoon to the ovum; she who elaborates the primitive germinal cell with its forty-eight CHROMOSOMES; she who gives the impulses for the genuine formation of the primitive germinal cell, and thanks to this, the organism develops and becomes a creative archetype. So, in reality, MOTHER NATURE struggles intensely to fix an organism, and when someone destroys her work, he commits a crime that in no way can pass unnoticed by her.

Q. Master: and when involuntary abortion occurs, can it be considered as a KARMA?

A. Not always is it Karmic, for many times an ACCIDENT can provoke an abortion. It is Karmic, sometimes, as in cases when women begin gestating a child and again and again fail in their attempts.

Q. In general terms, what consequences will the legalization of abortion bring to humanity?

A. Since humanity is dedicated to error and abortion has been legalized and taken as a normal already-officialized fact, this will bring a terrible karma for the inhabitants of the earth. It is

clear that those who have not provoked abortions will have nothing to pay, but all that in general will influence the great catastrophes that approach.

Q. Is it true that a planet called HERCOLUMBUS is dangerously approaching the earth?

A. Yes... THAT PLANETARY MASS, upon approaching the earth too closely, will attract the liquid fire from the interior of our planet and will provoke the eruption of volcanoes, in addition to producing intense earthquakes and great tidal waves. The liquid fire of the earth will burn everything that has life, and at the maximum approach of HERCOLUMBUS, the revolution of the axes of the earth will occur, the seas will change their bed and will swallow all the present continents; the earth will return to the chaotic state so that from amid that chaos a new world will arise, a regenerated, transformed earth where a new humanity will live.

Q. Do the scientists know of the proximity of that planet?

A. Yes... All the astronomers know it.

Q. Why, if they know it, do they not alert humanity?

A. Because the governments prohibit it to avoid collective psychosis.

Q. Is that legend that speaks of the existence of the WEREWOLF true?

A. That is called LYCANTHROPY, and is known for many centuries. Obviously, certain shadowy ones, black magicians, sorcerers (Europeans), tend to place the physical body into the fourth dimension (JINAS state), and there they assume the figure of true ravenous wolves that attack people and even devour them in truth.

Q. What you have called AEON 13, does it have relation with the thirteen heavens and with the thirteen hells?

A. It has relation with all that, and with the thirteen Sephiroth.

Q. Does the White elephant have any esoteric significance?

A. This animal represents the LOGOS.

Q. What is the cause of the failed politics that characterizes governmental leaders currently?

A. This failed politics, used by the modern leaders, has its roots in their sexual weakness. It is well known that modern society is controlled by the rogues of the intellect. The rogues of the intellect are terribly fornicating, and all this has been demonstrated to satiety. A rogue is the mixture of an intellectualism devoid of spirituality, and the lack of spirituality occasions exorbitant lust. Since the world is governed by rogues, it

is not strange that this happens. Thus the politicians, being weak, are governed by the SUPERMAN. The politicians, being sexually weak, are governed by the CONSCIOUS CIRCLE of solar humanity.

Q. What advice would you give to those who dedicate themselves to teaching this gnostic doctrine?

A. The gnostic instructors, above all, must speak to the people in simple language, so that they can understand it with clarity.

Q. Is it true that NASA has in its laboratories some frozen extraterrestrials?

A. That is as absurd as coming to believe that a man would allow himself to be caught by an ant. Extraterrestrials are SUPERMEN and know very well the earthling intellectual animals; they are not so foolish as to allow themselves to be caught.

Q. How would you define a good wife?

A. She is a woman who, above all, is faithful to the man and who knows how to fulfill her duties as woman, as wife, as mother, etc., etc.

Q. Do the men of the snows really exist?

A. The men of the snows exist in all parts of the world, but they have never done harm to anyone.

Q. Does a frightful catastrophe await Mexico?

A. Yes, it awaits her, but we do not know the date, because the lords of Karma have never told the date.

Q. Will the citadel of TEOTIHUACAN disappear with the cataclysm predicted for the year 2040?

A. No. It will not disappear.

Q. When the cataclysm ends, will you govern the first sub-race of the sixth great race KORADHI?

A. After the great catastrophe, all of us brothers will have to work with that future great race. Thus it will be that we all create a new civilization and a new culture.

Q. Do you understand the language of the animals?

A. The language of the animals is understood when one enters profound inner meditation. Any man or woman who enters profound inner meditation can come, during Samadhi, to understand the language of the animals.

Q. Do you think there exist some plans on the part of International cinema-producing companies in creating films of violence and degenerate sexology?

A. I understand that the secret enemy works intensely to degenerate the human race by means of pornographic films and the promotion of vices.
