PREFACE

BY V.M. GARGHA KUICHINES

This "Practical Magic Manual" will be very useful for the student who learns to know his physical body.

Our physical body is a marvelous vehicle in the hands of the Theurge or Magus. Dear reader, we are going to show you some marvels that your body possesses.

It has twelve senses: SEVEN INTERNAL, by which we know ourselves internally — namely, SIGHT, CLAIRVOYANCE, POLYVISION; these three senses are found at three specific points of the head, which are: the Eyebrows, the Pituitary Gland, the Pineal Gland. CLAIRAUDIENCE (internal hearing), which is found in the Thyroid. INTUITION, which is found in the heart; TELEPATHY, which is found in the solar plexus (region of the navel); MEMORY OF FORMER LIVES, in the lungs.

Here practices are given to develop these centers. We counsel you not to perform these practices until you have exterminat-

ed your defects; in this way, these senses emerge in very good conditions.

The other five senses are the FIVE EXTERNAL ones, which are: SIGHT, SMELL, TASTE, HEARING, TOUCH. Through these senses we acquire intellectual culture; these senses perceive sensations and the intellect elaborates ideas, but it happens that in most people the senses are defective because their owner is full of defects, and consequently we see the truth disfigured. To us, what happens is what happens to a person who looks at himself in a broken mirror: his figure is there, but disfigured by the cracks of the glass.

It is necessary to extirpate the defects so that all our senses may improve.

Our organism has FIVE CYLINDERS, which give life or death to our body; they are: INTELLECTIVE, MOTOR, EMOTIONAL, INSTINCTIVE, and SEXUAL CENTERS.

These cylinders we must cleanse permanently with the five elementals of nature: ETHER, AIR, FIRE, WATER, and EARTH. The Mantrams to call them, in order, are: HA, YA, RA, VA, LA. The names of the elementals, in order, are: PUNCTAS, SYLPHS and SYLPHIDS, SALAMANDERS, UNDINES and NEREIDS, GNOMES and PIGMIES.

These elementals cleanse our cylinders, and they preserve our life. For example, the Instinctive Center is what makes our face change, become haggard or rejuvenated. A man of criminal instincts is diametrically opposed to a poet, a priest, or a judge.

The Emotional Center is what reddens or pales us. Just as these Centers TRANSFORM us for evil, they also transform us for good. We must learn to handle them.

Our organism has NINE VORTEXES or Centers of Suction, which are: the Frontal, related to the brain; the Occipital, with the cerebellum; that of the Thyroid, with the verb; the Splenic or that of the Liver, with life; the Prostatic, with the Creative Energies — in woman, the Uterine; those of the Knee, related to humility and prostration; those of the Feet, with Gob, genius of the elemental paradises of the earth — children know how to handle this center.

We have at our disposal SEVEN VEHICLES or Bodies of function and action, which are: PHYSICAL, ASTRAL, MENTAL, CAUSAL, OF THE WILL, OF THE SOUL, and OF THE SPIRIT.

Each of these bodies has seven mental planes, which interlace one with another and contain the 49 levels of the mind. They have SEVEN CHAKRAS which correspond to the Seven

Churches. In the book "The Mysteries of Fire" (by V.M. Samael Aun Weor) there exists an explanation of these Churches with their respective Chakras.

We have the Tattvas with their distinct colors, which appear in the plate titled "Study of the internal Tattvas of man," from the book "Endocrinology and Criminology" (by V.M. Samael Aun Weor), where a detailed explanation appears of all that is related to the Tattvas and elementals, and also of the influence of colors upon us.

The Esoteric Gnostic finds profound teachings to transform his organism, no longer with the intellectual teachings coming from the senses, but with the teaching of the consciousness that we live when we put these teachings into practice, whose prima materia is the creative energy; they are two Wisdoms: that of the Eye, which makes us erudite, and the Wisdom of the Consciousness, which allows us to know the profound mysteries of life and of death — this is handled by the heart.

The feminine group of Santa Marta, which is between 15 and 24 years of age, while doing esoteric practices at the sea, asked me on one occasion: "Master, what do you do with so much love that we offer you?" I answered them immediately: "I transform it into WISDOM, PEACE, and BEAUTY, and I also use it to perform HEALINGS."

Just as the wicked have the power to transform two crude words into a punch or a kick, by the same logic we can transform the LOVE that we receive from the opposite sex.

Learn to know your body and you will know the UNIVERSE.

Arcanum 1

Chapter One: THE MAGICIAN (ALEPH)

Man is a ternary of body, Soul, and SPIRIT.

The SPIRIT is the INNERMOST.

The Soul is the Consciousness, whose fluidic body is called in occultism the Astral Body.

The physical body is the devil within us.

Between the INNERMOST and the body there exists a mediator: that mediator is the Soul, the Astral.

The magician must learn to move in the Astral body through the infinite.

The Soul must learn to enter and leave the body at will.

All our disciples must learn to leave the body.

All our disciples must learn to travel in the Astral body.

All our disciples must awaken their occult powers.

The four conditions needed to be a magician are the following:

Know how to SUFFER, Know how to KEEP SILENT, Know how to ABSTAIN, and Know how to DIE.

He who has developed the occult powers has power over the lightning bolts and over the volcanoes in eruption.

Arcanum 2

The Soul is the Consciousness, whose fluidic body is called in occultism the Astral Body.

Chapter Two: THE PRIESTESS (BETH)

Woman is the Athanor of Sexual Alchemy.

Man went out of Paradise through the doors of EDEN, and EDEN is sex itself.

The door of paradise is SEX.

He who wishes to enter EDEN must seek the door.

Woman is the door.

The Orientals speak of awakening the KUNDALINI.

The Kundalini is the Sacred Fire of the HOLY SPIRIT.

The Kundalini is the Fire of PENTECOST.

The Kundalini is the igneous Serpent of our magical powers.

The Kundalini is a most potent fire.

That most potent fire is enclosed in the Muladhara Chakra.

The Muladhara Chakra is the Coccygeal Church.

The Muladhara Chakra is situated in the Coccyx.

The Muladhara Chakra has four petals forming a Cross.

This is the Flaming Sword.

With this igneous sword the disciple awakens all the powers and becomes King and Priest of the Universe, with powers over the earth, over the water, over the fire, and over the air.

Along the Spinal Medulla exists a canal called in the East the Canal of SUSHUMNA.

Within this Medullary Canal there is a fine nervous thread, through which the Kundalini ascends.

As the Kundalini rises through the Spinal Medulla, all our occult powers awaken.

The secret to awakening the Kundalini is the following:

INSERT THE VIRILE MEMBER INTO THE VAGINA OF THE WOMAN AND WITHDRAW IT WITHOUT SPILLING THE SEMEN.

Restrained desire will make our seminal liquid rise to the head.

Thus our Kundalini awakens.

This is how our disciples can become gods (See the "Treatise of Sexual Alchemy," by the same author).

This practice will be done slowly.

During this sexual connection, the Mantrams will be vocalized: "DIS," "DAS," "DOS."

One must prolong each of these letters, thus:

Diiiiiiiiiiiiissssssss...Daaaaaaaaaaaaassssssss...

Dooooooooooooossssssss...

During this practice there is formed in the Astral plane a hermaphrodite Cherub, which has the power to open all the Chakras for us and convert us into gods.

That Cherub resembles man and resembles woman.

It wears a tunic of purple down to the feet.

And is completely hermaphrodite, because it has the sexual organs of man and woman.

This Cherub is formed at the moment when the couple is sexually united.

This Cherub is engendered during the trance of Sexual Magic.

This Cherub has all the powers of EDEN.

This Cherub has all the powers that man and woman had before the fall.

This Cherub has the keys of EDEN.

Man and woman united during the trance of Sexual Magic must order it together, at the same time, to awaken their Kundalini and open all their Chakras.

Man and woman shall give the order, and the Cherub will obey and open for them all the magical powers.

Those who wish to become gods must never spill in their life a single drop of Semen.

With a single seminal ejaculation it is enough to fail in this work.

SEXUAL MAGIC CAN ONLY BE PRACTICED BETWEEN HUSBAND AND WIFE, IN LEGITIMATELY CONSTITUTED

HOMES.

Arcanum 3

Man and woman united during the trance of Sexual Magic must order it together, at the same time, to awaken their Kundalini and open all their Chakras.

Chapter Three: THE EMPRESS (GIMEL)

"In the beginning was the Verb, and the Verb was with God, and the Verb was God."

The disciple must vocalize one hour daily to awaken his occult powers.

Clairvoyance

The Mantram "CHIS" serves to awaken the power of clairvoyance; that Mantram is pronounced thus:

Chiiiiiiiiissssssss...

The syllable "IN" also serves to awaken the power of clairvoyance; that syllable is vocalized thus:

Iiiiiiiiiinnnnnnnnnn...

The Mantram "RIS" is also used for clairvoyance.

That Mantram is vocalized thus:

Rrrrrrrriiiiiissssssss...

The Mantram "ISIS" is also a grandiose Mantram to awaken clairvoyance; that Mantram is vocalized thus:

Iiiiiissssssss... Iiiiiissssssss...

One hour daily of vocalization is better than reading a million books of Theosophism, Spiritism, and so on.

Clairvoyance is the same as Imagination.

For the sage, to imagine is to see.

He who wishes to become clairvoyant must reconquer the lost childhood.

The ANGEL AROCH taught me the most powerful Mantrams known in the world for the awakening of Clairvoyance.

He who wishes to be clairvoyant must end reasonings and accustom himself to look at all things with the Imagination.

The most powerful Mantrams of Clairvoyance are the first syllables that the child begins to spell out during his first years.

These syllables are:

MA MA, PA PA.

When pronouncing the first syllable MA, it will be vocalized in a very high and sharp form.

When vocalizing the second syllable MA, it will be vocalized in a very low form.

The same will be done with the syllables PA, PA.

The voice will be raised with the first syllable of each of the words, and then it will be repeated several times, lowering the note.

Master HUIRACocha in his work titled "Logos-Mantram-Magic" says the following:

"Let us not forget life and its development in children. History repeats itself, and in them is the reflection of the creation of the Cosmos, as a sure orientation for our existence. They, in their trembling babblings, first pronounce ae... ae... ae... Then ma... ma... ma... Later ba... ba... Their first gestures. In short, they remind us of the b and the n, and it is therefore from there that we should, then, begin THE INITIATION which, in due time, I shall teach you." (Page 46, chapter: Language and the Word, "Logos-Mantram-Magic.")

The pythonesses of Delphi received help from the God APOLLO, and our disciples may invoke APOLLO during their practices so that he may awaken Clairvoyance.

The pythonesses of Delphi awakened Clairvoyance by staring fixedly at the water for whole hours, and our disciples can do the same.

In the atoms of childhood we have the power of Clairvoyance.

These atoms are in our inner universe, and we can bring them to the surface by means of the syllables MA MA, PA PA.

The Frontal Chakra has ninety-six radiations and shines between the eyebrows, like a lotus flower.

This lotus flower has its base on the Pituitary gland.

Clairaudience

Clairaudience is the power to hear in the internal worlds.

Clairaudience is the magic ear.

Clairaudience awakens with the vowel "E."

This vowel is combined with various letters to awaken the occult ear.

The syllable "EN" serves to develop the magic ear.

This syllable is vocalized thus: Eeeeeeeennnnnnnnnn...

The Mantram "CHES" is most powerful for awakening the magic ear.

This Mantram is vocalized thus: Cheeeeeeeeeesssssssss...

There exist some most powerful mantrams for awakening the magic ear.

These mantrams are: AUM CHIVATUM Eeeeeeeeeee...

AUM is pronounced opening the mouth well with the vowel A, rounding it with the U, and closing it with the M.

The other syllables are pronounced prolonging the sound on each vowel.

The Laryngeal Chakra is situated in the throat, and has sixteen rays. Its colors are marvelous. It appears as a lotus flower coming out of the Thyroid gland.

Intuition

In the heart resides the INNERMOST.

In the heart is God.

He who awakens the Chakra of the heart acquires INTUITION.

He who awakens the Chakra of the heart acquires the power to conjure the wind and the hurricanes.

He who awakens the Chakra of the heart learns to study all things with the heart and becomes Wise.

This Chakra awakens with the vowel "O."

The syllable "ON" serves to awaken the Chakra of the heart.

This syllable is vocalized thus: Oooooooooonnnnnnnnnn...

The Mantram "CHOS" also serves to awaken the Chakra of the heart. This Mantram is vocalized thus: Chooooooooossssssss...

The prayer of the OUR FATHER is the most grandiose magical power for awakening the Chakra of the heart.

To pray is to converse with GOD.

The OUR FATHER serves to converse with GOD.

The disciple will lie down comfortably in his bed. He will separate from his mind every kind of earthly preoccupations, and then, very slowly, will meditate for whole hours on each of the words and phrases of the OUR FATHER, as if trying to converse with the FATHER who is in heaven.

During this practice the disciple must fall asleep profoundly.

In vision of dreams, the FATHER who is in heaven will appear to the disciple, and the disciple will be able to converse with him familiarly.

The FATHER may make the disciple see certain visions which the disciple must learn to interpret with the heart. This is how

all the disciples can converse with GOD.

The Cardiac Chakra has twelve radiations or luminous undulations.

The Mantram OMNIS JAUM INNERMOST serves to communicate with the INNERMOST.

This Mantram will be vocalized mentally.

The disciple will fall asleep adoring the INNERMOST, and pronouncing mentally the Mantram OMNIS JAUM INNERMOST.

The disciple can converse with his INNERMOST.

The INNERMOST will appear to the disciple in vision of dreams.

The Mantram for awakening Intuition is "OM MANI PADME HUM."

This Mantram is vocalized thus:

"OM MASI PADME YOM."

The vocalization is letter by letter thus:

**Oooooooooommmmmmm... Maaaaaaaaaaaaa...
Siiiiiiiiii... Padme Yooooooooooooooooommmmmmm...**

The meaning is: "Oh, My GOD in me."

This Mantram will be vocalized adoring the INNERMOST, rendering worship to the INNERMOST.

The INNERMOST is the Most High within us.

The INNERMOST is our individual Spirit.

The ancient humanity was instinctive.

Aristotle initiated the age of reason, which culminated with Immanuel Kant, the philosopher of Königsberg, and entered decrepitude as this sign of Pisces ended.

I, AUN WEOR, am the Initiator of the Age of INTUITION.

One must learn to study with the heart.

The Intuitive one understands with a single letter.

The intellectual is so dim that for a comma more or period less, he loses the whole thread of a discourse.

Telepathy

The Solar Plexus is the center of Telepathy.

We have a true wireless station established in our organism.

The Solar Plexus gathers the mental waves that travel through space, and passes them to our brain.

This is how the thoughts of others reach our brain.

This is called TELEPATHY.

The Solar Plexus is developed with the vowel "U."

The Mantram "CHUS" is most powerful for developing the Chakra of the Solar Plexus.

This Mantram is vocalized thus: Chuuuuuuuuussssssss...

Another very interesting exercise to awaken the Telepathic Plexus is the following:

Let the disciple sit in a comfortable armchair, with sight toward the east.

Let the disciple imagine that in the east there is a great GOLD CROSS, that casts golden and blue rays.

Let the disciple imagine those rays entering through his Solar Plexus, to awaken it and give it life. This exercise is practiced ten minutes daily.

This exercise is always practiced in the first hours of the morning, that is, at dawn.

The Chakra of the Solar Plexus gathers the solar energies, and with them nourishes and develops the other Chakras of our Astral organism.

He who develops this Chakra acquires the grandiose power of Telepathy.

The syllable "UN," prolonging the sound on the letters "U" and "N," can be vocalized during the practice of the GOLD CROSS, at dawn.

The Solar Plexus is our receiving antenna, and our Pineal gland is our transmitting center.

This Chakra has ten irradiations.

Key to Remember Past Lives

The key to remembering past lives lies in the retrospective exercise.

The disciple, sunk in profound meditation, must do a retrospective recapitulation of all the events that have happened in our life, from the present to the past.

The disciple must try to remember all the events that have occurred in inverse order, beginning with the latest, up to remembering the first events of his childhood.

All the memories of our childhood we can recall by practicing the retrospective exercise in moments of dozing.

In those moments we can make the effort to recall the last experiences of our past reincarnation.

And thus, in retrospective order, we can review all our past and past reincarnations.

What matters is to practice this retrospective exercise in moments of dozing.

Thus, in vision of dreams, we will remember all our past lives.

The Pulmonary Chakras allow us to remember our past lives. These Chakras are developed with the vowel "A," thus:

Aaaaaaaaaaaaaa...

The Mantram "CHAS" is effective for developing the Pulmonary Chakras.

In moments of dozing, the Soul leaves the physical body and travels through the suprasensible worlds.

In the internal worlds we relive our past reincarnations.

Splenic Chakra

He who develops this Chakra of the spleen acquires the power to command the creatures of the water.

The Splenic Chakra gathers during the night the energies that the Sun has left during the day.

With these energies the Splenic Chakra transmutes the white globules into red globules.

The Splenic Chakra is the center of the etheric body. Through it the life of the Sun enters our organism.

The letter "M" pertains to this Chakra.

This Chakra has six petals or undulations.

Hepatic Chakra

Keys to Going Out in the Astral Body:

Our disciples must learn to go out in the Astral Body, to visit all the WHITE LODGES of the world.

In the GNOSTIC CHURCH all our disciples can receive internal instruction.

The disciple who wishes to progress must not lock himself up.

The disciple who wishes to progress must inevitably learn to go out in the Astral Body, to transport himself to the GNOSTIC CHURCH, where he can converse personally with CHRIST and with all the Masters of the WHITE LODGE.

The key to going out in the Astral Body is the following:

Let the disciple fall asleep in his bed.

When the disciple finds himself in that state of transition that exists between waking and sleep, let him rise from his bed ex-

actly as a sleepwalker does.

Before leaving the room, the disciple will give a little jump with the intention of floating in the surrounding atmosphere.

If the disciple does not float, he gets back into his bed and repeats the experiment.

But if the disciple, upon jumping, remains floating in the air, then let him leave his room, and flying, head for the Gnostic Church.

This is not a mental practice.

What we are saying here must be translated into deeds.

The disciple in moments of dozing will rise from his bed as sleepwalkers do.

The process of sleep breaks the too-strong connections that exist in the state of waking.

The process of sleep allows the Soul to separate from the physical body.

The disciple may fall asleep vocalizing the Mantram "FARAON" thus:

Faaaaaaaaaaa...

Rrrrrrrraaaaaaaaaa...

Ooooooooooooooooooooo...

Concentrating all his mind on the Pyramids of Egypt.

When the disciple is already dozing, let him rise from his room, headed for the Pyramids of Egypt.

Another Mantram to go out in the Astral Body is the Mantram "RUSTI."

The disciple will vocalize this Mantram mentally, and when he is already dozing, let him rise from his bed and leave his room headed for the GNOSTIC CHURCH.

There he will be able to converse with CHRIST personally and receive direct instruction from all the Masters.

The Mantram "TAI RE RE RE" also serves to go out in the Astral Body.

The disciple falls asleep singing this Mantram with the mind.

When the disciple is already dozing, he will rise from his bed and leave his room, headed for the GNOSTIC CHURCH.

Another very simple key to go out in the Astral Body is the following:

Let the disciple fall asleep pronouncing mentally the syllable "LA" and the syllable "RA."

When the disciple feels within his brain a sweet and gentle whistle, something similar to the brakes of compressed air or to the song of the crickets, something like the sound of reed pipes or of flutes, let the disciple rise from his bed and head for the GNOSTIC CHURCH.

Many disciples triumph immediately; others take months and years to learn to go out in the Astral Body.

The Astral Body is connected with the Liver.

By awakening this Chakra of the Liver, everyone can enter and leave the physical body at will.

What matters is that the disciples abandon laziness.

Those who have not learned to go out in the Astral Body are because they are very lazy.

The atoms of laziness are a grave obstacle to progress toward the superior worlds.

Disciples may learn to travel with their body of flesh and blood in the state of "Jinas."

The disciple will fall asleep just a little, and then will rise from his bed like a sleepwalker, preserving sleep as the most precious treasure.

Before leaving his bed, the disciple will give a little jump with the intention of floating, and if he floats in the surrounding atmosphere, it is because his physical body has already penetrated within the Astral Plane.

Now the disciple can take his physical body to remote sites of the Earth, in a few instants.

When CHRIST walked upon the waters, he went with his physical body in the state of "Jinas."

To carry the physical body, a little sleep and much faith is sufficient.

The letter that corresponds to the Chakra of the Liver is the "U."

The Mantram "FE UIN DAGJ" — this last word guttural — serves to awaken all the Chakras of the Astral Body.

The Mantram "MIÑA PICA FRASCO" serves to travel in the state of "Jinas" from one site to another on Earth.

The disciple rises from his bed like a sleepwalker, pronouncing the Mantrams: "MIÑA PICA FRASCO."

Some disciples learn immediately; others spend months and entire years to learn.

Polyvision

The head is a world surrounded by the brilliant light of the Zodiacal Belt.

The Coronary Chakra is the "Lotus of the Thousand Petals," it is the Crown of the Saints, it is the Diamond Eye.

The Coronary Chakra is the Eye of Brahma, it is the Eye of Dagma.

With this Chakra we can study the Akashic Records of Nature and rise to ecstasy or Samadhi, to penetrate into the world of the gods.

This Chakra is awakened by practicing Sexual Magic intensely with the woman.

Everyone who develops the Pineal gland becomes a terrible and powerful magician.

He who opens the Diamond Eye can perform marvels and prodigies, like those the Divine Rabbi of Galilee performed in his passage through the earth.

This Chakra has 1,000 petals.

The man who makes the Kundalini rise to the head awakens the Coronary Chakra. This Chakra is the Seventh Seal of the Apocalypse.

The man who makes the Kundalini rise to the head unites with the INNERMOST and becomes a terrible and powerful God.

When the Soul unites with the INNERMOST, the man becomes an angel.

The Twenty-four Elders cast their crowns at the feet of the LAMB.

The Chakras are all connected to the Spinal Column.

In the Spinal Column there exist Seven Centers.

Each of these Centers is related to its corresponding Chakra; these are the Seven Churches of which the Apocalypse speaks.

Those are the Seven Seals that the Lamb opens with his Flaming Sword.

Those are the Seven Seals that the Kundalini opens to convert us into gods.

"I saw in the right hand of him that sat on the throne a book written within and on the back, sealed with Seven Seals." "And I saw a strong Angel proclaiming with a loud voice: Who is worthy to open the book, and to loose its Seals?" (REVELATION 5:1-2).

"And I saw when the Lamb opened one of the Seals, and I heard one of the four beasts saying as it were with a voice of

thunder: Come and see."

"And I saw, and behold a white horse: and he that sat upon him had a bow, and a crown was given unto him, and he went forth conquering, that he might also conquer."

"And when he had opened the Second Seal, I heard the second beast say: Come and see."

"And there went out another horse that was red: and to him that sat thereon was given power to take peace from the earth, and that they should kill one another: and there was given unto him a great sword." "And when HE had opened the Third Seal, I heard the third beast say: Come and see."

"And I beheld, and lo a black horse: and he that sat on him had a pair of balances in his hand."

"And I heard a voice in the midst of the four beasts say: A measure of wheat for a penny, and three measures of barley for a penny; and see that you hurt not the oil and the wine." "And when HE had opened the Fourth Seal, I heard the voice of the fourth beast say: Come and see."

"And I looked, and behold a pale horse: and his name that sat on him was Death, and Hell followed with him; and power was given unto them over the fourth part of the earth, to kill with

sword, and with hunger, and with death, and with the beasts of the earth."

"And when HE had opened the Fifth Seal, I saw under the altar the souls of them that were slain for the word of GOD, and for the testimony which they held."

"And they cried with a loud voice, saying: How long, O Lord, holy and true, dost thou not judge and avenge our blood on them that dwell on the earth?"

"And white robes were given unto every one of them; and it was said unto them that they should rest yet for a little season, until their fellow servants also and their brethren, that should be killed as they were, should be fulfilled."

"And I beheld when HE had opened the Sixth Seal, and lo, there was a great earthquake; and the Sun became black as a sack of silicon, and the Moon became as blood."

"And the stars of Heaven fell unto the earth, even as a fig tree casts her untimely figs, when she is shaken of a mighty wind."

"And the Heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places."

"And the Kings of the Earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every

bondman, and every free man, hid themselves in the caves and in the rocks of the mountains." "And said to the mountains and rocks: Fall on us, and hide us from the face of him that sits on the Throne, and from the wrath of the LAMB: For the great day of his wrath is come; and who shall be able to stand?" (REVELATION 6).

"And when HE had opened the Seventh Seal, there was silence in Heaven about the space of half an hour."

"And I saw the seven angels which stood before GOD; and to them were given seven trumpets."

"And another Angel came, and stood at the altar, having a golden censer; and there was given unto him much incense, that he should offer it with the prayers of all the Saints upon the golden altar which was before the throne."

"And the smoke of the incense, which came with the prayers of the saints, ascended up before GOD out of the Angel's hand."

"And the Angel took the censer, and filled it with fire of the altar, and cast it into the earth: and there were voices, and thunders, and lightnings, and an earthquake" (REVELATION 8:1-5).

Arcanum 4

He who awakens the Chakra of the heart acquires the power to conjure the wind and the hurricanes.

Chapter Four: THE EMPEROR (DALETH)

The esoteric ages are the following:

First INITIATION of Minor Mysteries: 10 years of age.

Second INITIATION: 20 years of age.

Third INITIATION: 30 years of age.

Fourth INITIATION: 40 years of age.

Fifth INITIATION: 50 years of age.

Sixth INITIATION: 60 years of age.

Seventh INITIATION: 70 years of age.

Eighth INITIATION: 80 years of age.

Ninth INITIATION: 90 years of age.

Major Mysteries

First INITIATION: 100 years of age.

Second INITIATION: 200 years of age.

Third INITIATION: 300 years of age.

Fourth INITIATION: 400 years of age.

Fifth INITIATION: 500 years of age.

Sixth INITIATION: 600 years of age.

Seventh INITIATION: 700 years of age.

Eighth INITIATION: 800 years of age.

Ninth INITIATION: 900 years of age.

Ages of more than nine hundred years are Logoic ages.

To reach Absolute Liberation, one must possess the age of 300,000 (three hundred thousand) esoteric years. (Esoteric ages are not chronological time.)

INITIATION is your very life.

INITIATION is profoundly internal.

INITIATION is profoundly individual.

The Divine Triad

THE INNERMOST has two twin Souls: the Divine and the Human.

At one hundred years of esoteric age, the Divine Soul fuses with the INNERMOST, and thus a new Master is born in the Internal Worlds.

At five hundred years of esoteric age, the Human Soul also fuses with the INNERMOST.

This is how a new MAHATMA is born in the Internal Worlds.

Human Bodhisattvas

When a Master of Major Mysteries wishes to reincarnate, he sends ahead his Human Soul, that it may reincarnate and prepare itself.

When that Human Soul is already prepared, then the Master reincarnates.

He enters into his Human Soul.

When the Bodhisattva lets himself fall, then the Master cannot reincarnate.

The Bodhisattva who lets himself fall must afterwards reincarnate under more difficult conditions.

If the Bodhisattva relapses into his faults, then the Lords of Karma send him to reincarnate in conditions ever more terrible and painful.

Thus comes the moment when the Master can reincarnate in his Bodhisattva.

The Master is formed by ATMAN-BUDDHI.

ATMAN is the INNERMOST.

BUDDHI is the DIVINE SOUL — that is, the Divine Consciousness of the INNERMOST.

Dhyani Bodhisattvas

When a LOGOS wishes to redeem a World, he emanates from himself a Celestial Prototype, formed by ATMAN-BUDDHI.

The LOGOS is the SEPHIROTIC CROWN.

The LOGOS is the Individual Ray from which the INNERMOST itself emanates.

That RAY is the Most Holy TRINITY within us.

That Ray is Triune.

Thus, every LOGOS is Triune.

The FATHER is KETHER. The Ancient of Days.

The SON is the COSMIC CHRIST within us.

The HOLY SPIRIT is the Divine MOTHER within us.

The MOTHER carries a lamp in her hand.

That lamp is the INNERMOST, who burns within our Heart.

THE INNERMOST has two Souls, one Divine and the other Human.

When a LOGOS wishes to come into the World, he emanates from himself his INNERMOST.

That INNERMOST then, together with the Divine Soul, is the DHYANI BODHISATTVA of a LOGOS.

The DHYANI BODHISATTVAS of the LOGOS who follow the Path of long and bitter duty, when they reincarnate in a world, evolve as any man among men.

When the DHYANI is prepared, then his REAL LOGOIC BEING incarnates in him, to save the World.

Arcanum 5

At one hundred years of esoteric age, the Divine Soul fuses with the INNERMOST, and thus a new Master is born in the Internal Worlds.

Chapter Five: THE HIERARCH (HE)

The Virgin of the Sea

There exists a great Goddess, and this is the Virgin of the Sea.

The Virgin of the Sea is ISIS, Adonia, Astarte, Mary.

Nature is not unconscious.

Nature is a kind and austere Mother.

When in the Internal Worlds we invoke the great MOTHER, Nature answers us with a terrifying metallic sound that makes the whole Universe tremble.

Truly Nature is the body of a Guru-Deva.

That Guru-Deva has been worshiped in all religions.

That Guru-Deva has been called ISIS, ADONIA, Insoberta, Mary, Maya, Persephone, and so on.

When CHRIST needed to reincarnate to save the World, then that Guru-Deva was born on Mount Carmel and was baptized with the name of Mary, the Virgin of Carmel.

That is the Virgin of the Sea, the Blessed Divine MOTHER of the World.

Everyone who wishes to be a magician and have magical powers must become a disciple of the Virgin of the Sea.

The weathered Sphinx that we see in the desert of Egypt is the image of an intelligent creature that exists in the Internal

Worlds.

That creature is the Elemental Sphinx of Nature.

The Elemental Sphinx of Nature has all the Wisdom of the Elemental Magic of Nature.

That Sphinx is the Elemental Intercessor of the Blessed Divine MOTHER of the World.

The Sphinx obeys all the orders of the Virgin of the Sea.

All the powers of the earth come from the sea.

Everyone who wishes to be a powerful magician must become a disciple of the Virgin of the Sea.

Everyone who wishes to become a disciple of the Virgin of the Sea must first learn to go out in the Astral Body.

He who invokes in the Internal Worlds the Virgin of the Sea will receive from her all her teachings.

Every kind of Magical Powers must be asked of the Virgin of the Sea personally.

There are magicians who carry the image of the Virgin of Carmel tattooed over their Heart, to prevent the enemy bullets from causing them harm.

One must learn to go out in the Astral Body, to speak with the Virgin of the Sea.

Chapter Six: THE LOVER (VAU)

Numerals

We have entered the empire of High Magic.

We have entered the laboratory of High Magic.

We have entered the World of Will and Love.

To enter the amphitheater of Cosmic Science, one must steal the fire from the Devil.

The lover must steal the light from the darkness.

One must practice Sexual Magic intensely with the woman.

One must reconquer the Flaming Sword of EDEN.

To invoke the gods, one must know the mathematical numerals of the stars.

Symbols are the garments of numbers.

Numbers are the living entities of the Internal Worlds.

The planetary numerals produce immediate, terrible results.

With the stars one can work at a distance.

The mathematical numerals act upon the physical world in a terrible way.

These numerals must be written on seven distinct tables.

Manner of Operation

When one is going to perform Sidereal Magic, a circle is made on the ground, one and a half meters in diameter, and the sign of the Pentagram is placed with the two lower vertices toward the outside of the precinct, and the upper vertex toward the inside. In the center of the Circle the table with the numeral of the corresponding planet is placed.

Thus all the gods of the planet with which one is going to work attend.

Before beginning any magical ceremony with the stars, one must conjure the earth, the fire, the water, and the air, with their corresponding exorcisms.

Exorcism of the Water

"Fiat firmamentum in medio aquarum et separet aquas ab aquis, quae superius sicut quae inferius, et quae inferius sicut quae superius ad perpetranda miracula rei unius. Sol eius pater est, Luna mater et ventus hunc gestavit in utero suo, ascen-

dit a terra ad coelum et rursus a caelo in terram descendit. Exorciso te, creatura aquae, ut sis mihi speculum Dei vivi in operibus ejus, et fons vitae, et ablutio peccatorum. AMEN."

Exorcism of the Fire

The fire is exorcized by throwing salt, incense, white resin, camphor, and sulfur into it, pronouncing three times the three names of the Genii of Fire:

MICHAEL, King of the Sun and of the Lightning Bolt.

SAMAEL, King of the Volcanoes.

ANAEL, Prince of the Astral Light.

Assist us in the name of Christ, by the Christ, by the Christ, AMEN.

Exorcism of the Air

The air is exorcized, blowing toward the four cardinal points, and saying: "Spiritus Dei ferebatur super aquas, et inspiravit in faciem hominis spiraculum vitae. Sit MICHAEL dux meus, et SABBATHIEL servus meus, in luce et per lucem. Fiat verbum habitus meus, et imperabo spiritibus aeris hujus, et refrenabo equos solis voluntate cordis mei, et cogitatione mentis meae et nutu oculi dextri. Exorciso igitur te, creatura aeris, per

Pentagrammaton, et in nomine Tetragrammaton, in quibus sunt voluntas firma et fides recta. AMEN. Sela, fiat. So be it."

Exorcism of the Earth

The earth is exorcized by the sprinkling of water, by the breath, and by the fire, with the perfumes proper to the day, and one says: "In the name of the twelve stones of the Holy City; by the hidden talismans and by the Magnet nail that crosses the World, I conjure you, subterranean workers of the earth. Obey me in the name of Christ, by the power of Christ, by the majesty of Christ. AMEN."

The Magic Squares

Square of the MOON: Constant: 369; Total: 3,321.

Square of MERCURY: Constant: 260; Total: 2,080.

Square of VENUS: Constant: 175; Total: 1,225.

Square of the SUN: Constant: 111; Total: 666.

Square of MARS: Constant: 65; Total: 325.

Square of JUPITER: Constant: 34; Total: 136.

Square of SATURN: Constant: 15; Total: 45.

The Art of Working with the Stars

The disciple will seat himself comfortably in an armchair, and then concentrate his mind on his INNERMOST, saying:

Thou who art Myself, my true BEING.

Go out from my body. Enter through the doors of the Heart Temple of the (planet) — here the planet with which we are going to work in those moments is named.

Then the words JACHIN, BOAZ are pronounced.

Afterwards, the Magician asks the Sidereal Genius with whom he is working for the desired service: loves, journeys, businesses, and so on.

The magician will cry out several times, asking: CORO, CORO, CORO! And the Angels will work, but in accordance with the Law.

THE planetary LOGOS will send Choirs of Angels to work with the magician, to dominate and conquer.

This is how one works with the Ray of the Stars. This is how disciples can solve their particular problems.

GABRIEL is the Angel of the MOON.

RAPHAEL is the Angel of MERCURY.

URIEL is the Angel of VENUS.

MICHAEL is the Angel of the SUN.

SAMAEL is the Angel of MARS.

ZACHARIEL is the Angel of JUPITER.

ORIFIEL is the Angel of SATURN.

Characteristics of the Planets

THE MOON: Journeys, manual arts, novelists, businesses of liquids, matters related to maternity, agriculture, illnesses of the stomach and of the brain, and so on.

MERCURY: Journalism, intellectualism, businesses, lawsuits, sciences, journeys, and every kind of matter related to the mind.

VENUS: Loves, marriages, women, perfumes, music, plastic arts, dramatic arts, poetry.

THE SUN: High dignitaries, mystical affairs, social position, high hierarchs, and so on.

MARS: Wars, military affairs, police affairs, fights, leaders, works related to currency and money. Great businesses, affairs related to judges and tribunals, and so on.

JUPITER: High civil and ecclesiastical military men, affairs related to currency and money, great businesses, affairs relat-

ed to judges and tribunals, and so on.

SATURN: Affairs of lands, affairs of mines, funeral affairs, Angels of death, and so on.

The magician must learn to handle the twinkling of the stars, because the Angels of the stars are the absolute governors of the World. (See the "Zodiacal Course," by the same author.)

Characteristics of the Twelve Zodiacal Signs

ARIES: March 21 to April 20. Persons born under this sign are impulsive and choleric; they become irritated easily.

These persons are capable of embarking upon great enterprises and bringing them to a good end.

The children of ARIES triumph in the military and are very energetic and dynamic.

The metal of this sign is iron.

Those born in Aries are unlucky in love, because they end up fighting.

TAURUS: April 21 to May 20. The Taureans are gluttons; they love all that is beautiful.

The Taureans love much and suffer much, because they go through great amorous disappointments.

When the Taureans become enraged, they are true furious bulls.

The Taureans are like the ox: laborious and tenacious.

GEMINI: May 22 to June 21. The natives of Gemini are of strong will, possess great courage, are versatile, and very much like to travel. Their lives are a mixture of successes and failures. Sometimes they live in comfort, and for periods they must endure much misery.

They are very intelligent and become irritated easily.

The defect of those born in Gemini is wanting to resolve everything with the head: they always want to silence the wise voice of the Heart, and then they create problems and difficulties of every kind.

CANCER: June 22 to July 23. The natives of Cancer have disposition for every kind of manual arts, practical arts.

Dressmaking, tailoring, and so on.

The natives of Cancer are tenacious, and like the crab, prefer to lose a leg rather than lose a prey.

The natives of Cancer triumph on long journeys.

In the first quarter and full Moon they can carry out their enterprises, which will culminate with good success.

The character of the natives of Cancer varies according to the changes of the Moon.

The natives of Cancer are romantic and sentimental, but when they grow angry, their wrath is terrible.

LEO: July 24 to August 23.

The sign of LEO governs INTUITION.

We must free our Mind from every kind of schools, theories, political parties, concepts, desires, emotions, passions, and so on.

From intellectualism without spirituality, the scoundrels result.

The scoundrels stroll through the elegant salons, drink liquors of every species, and everyone applauds and admires them.

The scoundrels call themselves doctors, bachelors, intellectuals, and so on.

The scoundrels have taken hold of the world, and all the governments of the Earth have fallen into their claws.

The scoundrels are the intellectual pedants of the epoch.

The scoundrels have always been the enemies of the sages.

Our disciples must abandon every kind of scoundrelhood.

Our disciples must cultivate INTUITION, which resides in the Heart.

INTUITION is direct perception of truth, without the depressing process of reasonings and opinions.

The natives of Leo are like the lion: kind and courageous.

The natives of Leo are mystical and like to command.

The natives of Leo suffer much.

The natives of Leo sometimes suffer from accidents to the arms and hands.

The natives of Leo are magnanimous and kind.

The natives of Leo become irritated easily and become enraged easily.

VIRGO: August 24 to September 23.

The natives of Virgo and of Scorpio are, as a whole, the marvellous Eden of which the BIBLE speaks.

I have written this book precisely so that my disciples may become omnipotent and powerful gods.

I want all the disciples to end with all the human weaknesses, and to become gods and priests of the Universe.

Virgo is the sign of the Celestial Virgin.

Virgo is the virginal womb of Divine Nature.

When we were elementals, we had the Seven Serpents upon the Staff.

When we went out of Eden, our Seven Serpents fell.

Our disciples must raise the Seven Serpents upon the staff so that they may enter Eden and become gods of fire.

Virgo is the womb of Mother Nature.

The natives of Virgo, unfortunately, fall into the vicious circle of reasonings, and for this reason they harm themselves.

The natives of Virgo are unlucky in love.

The natives of Virgo fall into the aberrations of intellectualism, and for that reason they do not progress.

If the natives of Virgo wish to progress, they must be simple; they must end reasonings, have the mind of innocent children.

LIBRA: September 24 to October 23.

Before the Balance existed, face did not look upon face.

All that is, all that has been, and all that will be, is weighed in the Balance.

All the Kings who entered the ABSOLUTE were weighed in the Balance.

The balance is the garment of the Ancient of Days; the balance is not entangled in anything; the Balance is the garment of the ABSOLUTE.

Justice and Mercy united shine in the World of AZILUTH.

The natives of Libra always have love in equilibrium, and their lives are as unstable as the movements of the plates of the balance.

The natives of Libra suffer in love.

The natives of Libra have very many aptitudes and great ability to earn their daily bread.

The Sword of COSMIC JUSTICE is beyond good and evil.

SCORPIO: October 24 to November 23.

The human being has Seven Bodies; each body has its Spinal Medulla and its Serpent. (See "Zodiacal Course," by the same author.)

The Seven Bodies of man are the following:

PHYSICAL BODY.

VITAL BODY.

ASTRAL BODY OR BODY OF DESIRES.

MENTAL BODY.

CAUSAL BODY OR BODY OF THE WILL.

BODY OF CONSCIOUSNESS.

BODY OF THE INNERMOST.

Each Body has its Sacred Serpent.

We have Seven Serpents: two groups of three, with the sublime crowning of the Seventh Tongue of Fire that unites us with the ONE, with the LAW, with the FATHER.

By practicing Sexual Magic intensely with the woman, we raise the Seven Serpents upon the Staff, and we become Omnipotent gods of the Universe, with powers over the four elements: earth, water, fire, and air.

Scorpio rules the sexual organs, and the redemption of man is in the sexual organs.

The natives of Scorpio possess terrible magical powers.

The natives of Scorpio are choleric, rancorous, and vengeful.

However, by dominating wrath, vengeance, and rancor, the natives of Scorpio can become terrible and powerful White Magicians.

The Scorpions are completely chaste or completely fornicators.

The natives of Scorpio are of terrible Will.

The key to becoming a Magician is: INSERT THE MEMBER INTO THE VAGINA OF THE WOMAN, AND WITHDRAW IT WITHOUT SPILLING THE SEMEN.

He who becomes accustomed to this practice and never ejaculates his semen in life will become a very terrible and powerful GOD.

SAGITTARIUS: November 24 to December 21.

The natives of Sagittarius are extremely passionate.

The natives of Sagittarius become angry easily and forgive easily.

The natives of Sagittarius are magnanimous and generous.

The natives of Sagittarius always love adventures and incursions; all that is grandiose and gigantic attracts them.

The natives of Sagittarius are tenacious and fighters; when people believe they have defeated them, they reappear on the battlefield of life, full of courage and valor.

The natives of Sagittarius have a great disposition for Philosophy.

CAPRICORN: December 22 to January 19.

The natives of Capricorn are pessimistic and melancholic.

The natives of Capricorn have very many aptitudes to earn their daily bread.

The natives of Capricorn are laborious and hardworking, and have a high sense of their own moral responsibility.

On the path of their lives, a Judas is never lacking who betrays them.

Every Capricorn must pass through a tragedy in love... a terrible amorous betrayal.

AQUARIUS: January 20 to February 18.

The natives of AQUARIUS are of strong will, and possess a formidable Intuition.

The natives of Aquarius are friends of independence and dearly love polemics and philosophical discussions.

The great leaders of Aquarius are the revolutionaries of the epoch.

The Aquarians have great disposition for all studies of Occult Wisdom.

PISCES: February 19 to March 20.

The Pisceans are of a will stronger than steel.

The Pisceans are intuitive and profoundly sentimental.

All the Pisceans must pass on the path of their life through two homes, or two marriages.

The Pisceans are extremely sensitive, and any little thing impresses them easily.

The natives of Pisces are sometimes profoundly melancholic.

The natives of Pisces, although they live in everything, are separated from all the vanities of the world.

The Piscean has disposition for two trades, two different dispositions.

Within the sea of Pisces, the Star of the Magi rises.

From the sea of Pisces come forth all the Messiahs.

All the events of the Piscean's life are repeated.

The good is repeated for them, and the bad is also repeated for them.

When good luck comes to them, it comes from all sides; and when bad luck comes to them, it comes from all sides.

Chapter Seven: THE WAR CHARIOT (ZAIN)

All the Christian and Neo-Christian religions — Protestants, Catholics, Adventists, and so on — study THE BIBLE according to the dead letter.

All those sects study the prophecies in an absolutely intellectual form and according to the dead letter.

We Gnostics like to converse with the Angels personally, face to face, so that they may explain the prophecies to us.

We are completely practical, and we know how to speak with the Angels and with the Prophets.

He who wishes to be a magician must obtain the Sword.

The Sword is the Kundalini.

The Sword is the Fire of the HOLY SPIRIT.

We gain nothing by filling our heads with theories.

We gain nothing by interpreting the BIBLE according to the dead letter, as the Adventists, Protestants, Presbyterians, and

so on do.

It is best to learn to speak with the Angels and with the Prophets.

Only thus do we march along safe paths.

We must free the mind from every kind of desires, emotions, reasonings, intellectualism, theories, vanities, and so on.

It is better to love a good woman and practice Sexual Magic with her every day, than to waste time with polemics, intellectualism, and theories.

Thus we acquire the Sword of the Kundalini, and awaken all our magical powers, to enter through the doors of the Triumphant City.

The mind is the donkey upon which we must mount to enter the Heavenly Jerusalem on Palm Sunday.

The mind is the den of desire.

When the mind assaults us with useless representations, when the mind stalks us with its low passions, let us speak to the mind thus:

Mind, take from me those desires; mind, take from me those passions; I do not accept them from you, you are my slave and I am your Lord, until the consummation of the ages.

Arcanum 8

Chapter Eight: JUSTICE (CHETH)

When an inferior Law is transcended by a superior Law, the superior Law washes the inferior Law.

The Lion of the Law is fought with the Balance.

Do good works that you may pay your debts.

Our disciples must learn to travel in the Astral Body.

Our disciples must learn to transport themselves in the Astral Body to the offices of the Lords of Karma.

Our disciples must learn to handle their affairs (the affairs of Karma) personally.

There are forty-two Judges of Karma.

The Lords of Karma grant credit to whoever asks for it, but every credit must be paid by working in the great work of the FATHER.

When our disciples wish to ask for help from the Lords of Karma, they paint a Six-pointed Star on the ground, open the arms in the form of a balance.

And move the arms in the form of a Balance, upward and downward, keeping the mind concentrated on ANUBIS, who is the Chief of the Lords of Karma.

Then we can mentally ask the Lords of Karma for the desired service.

When moving the arms in the form of a Balance, vocalize the syllables: "NI, NE, NO, NU, NA."

This is how we can ask for help from the Lords of Karma, in moments of danger or necessity.

But I tell you that it is best to travel in the Astral Body to the Offices of Karma, to speak personally with the Judges of the Law.

Arcanum 9

And move the arms in the form of a Balance, upward and downward, keeping the mind concentrated on ANUBIS, who is the Chief of the Lords of Karma.

Chapter Nine: THE HERMIT (TETH)

The Initiation

INITIATION is your very life.

All the Theosophist and Rosicrucian writers have done nothing but falsify the truth of INITIATION.

In all the Theosophist and Rosicrucian works, we see innumerable accounts that have nothing to do with legitimate INITIATION.

All those fantastic little stories of the Theosophists and Rosicrucians have only served to falsify the mind of the students.

The reality is that INITIATION is the same as life.

The INNERMOST is the one who receives the INITIATIONS.

The INNERMOST attends the feasts of the Temples to receive the INITIATIONS.

When the disciple does not have his powers developed, he does not even suspect that he has received the INITIATION.

The powers of INITIATION are powers of the INNERMOST.

But if the personality does not have those powers developed, the disciple does not realize that he possesses Initiatic powers.

Thus, INITIATION has nothing to do with any of those fantastic accounts that so abound in the books of Theosophism and Rosicrucianism.

Powers are payments that the LOGOS makes to man, when the disciple has sacrificed himself for Humanity.

To the one to whom nothing is owed, nothing is paid.

INITIATIONS are payments that the LOGOS makes to man, when the disciple has sacrificed himself for Humanity.

Those who only concern themselves with their Spiritual progress and do not work for others attain absolutely nothing.

He who wishes to progress must sacrifice himself for others.

Those who live telling others the number of INITIATIONS they possess are committing a most grave fault, because the esoteric ages are something very individual and very sacred.

Thus, INITIATION is the same life intensely lived, with rectitude and with love.

Arcanum 10

| *All the Theosophist and Rosicrucian writers have done nothing but falsify the truth of INITIATION.*

Chapter Ten: THE WHEEL OF FORTUNE (IOD)

The Ten Sephiroth

Man consists of ten principles:

The first is KETHER, the Ancient of Days.

The second is CHOKMAH, the COSMIC CHRIST in us.

The third is BINAH, the MOTHER, the HOLY SPIRIT in us.

The fourth is CHESED, the INNERMOST.

CHESED is a precious lamp that the MOTHER carries in her hand.

The fifth is GEBURAH, our Spiritual Soul, our Superlative Consciousness (the BUDDHI).

The sixth is our Human Soul, TIPHEREETH.

The seventh is NETZACH, the Mental Body.

The eighth is HOD, the Astral Body.

The ninth is YESOD, the Etheric Body.

The tenth is MALCHUTH, the Physical Body.

Moses managed to incarnate in himself BINAH, but did not pass beyond that.

Blessed are those who manage to incarnate in themselves the COSMIC CHRIST (CHOKMAH).

More blessed still are those who manage to incarnate in themselves their own Ancient of Days, the Kindness of Kindnesses, their Absolute Supreme SELF.

On Mount HOREB, the MOTHER appeared to Moses among the burning flame of the bush; he fell to the ground, and his MOTHER BINAH, ADONAI-JEHOVAH, entered HIM...

Thus Moses became Illuminated.

The TEN SEPHIROTH are atomic.

In the body of the ANCIENT OF DAYS, the TEN SEPHIROTH shine like precious stones, when we have reached the three hundred thousand esoteric years.

The esoteric ages are esoteric time.

Esoteric time is sacred. They are states of consciousness.

Esoteric time has nothing to do with profane chronological time.

The Sephiroth form the body of ADAM-KADMON.

When man self-realizes himself in depth, he enters the realm of ADAM-KADMON.

The Realm of ADAM-KADMON is at last absorbed into the ABSOLUTE, where free life shines in its movement.

Arcanum 11

The fifth is GEBURAH, our Spiritual Soul, our Superlative Consciousness (the BUDDHI).

Chapter Eleven: THE FORCE OF PERSUASION (KAPH)

The Chains

The most powerful chains will be realized in groups of three persons.

The number three is the GREAT ARCANUM.

When a man and a woman unite, something is created.

FATHER, MOTHER, SON.

FATHER, SON, HOLY SPIRIT.

ISIS, OSIRIS, HORUS.

The Mystery of the TRINITY shines in all religious Theogonies.

In our rituals, three candles are lit.

The number three is totally creative.

The magical effect of the Chains in groups of three is terrible.

In every magical ceremony one must conjure the four elements of Nature (See the CONJURATION OF THE FOUR).

The Kingdom of the Sylphs is in the East, and its chief is PARALDA.

The Kingdom of the Undines is in the West, and its chief is VARUNA.

The Kingdom of the Gnomes is in the North, and its chiefs are GOB and KITICHI.

The Kingdom of the Salamanders is in the South, and its chiefs are DJIN and AGNI.

The Sylphs are the Spirits of the air.

The Undines are the Spirits of water.

The Gnomes are the Elementals of the earth.

The Salamanders are the Elemental Spirits of fire.

When the operator is conjuring the creatures of fire, he will turn to the South; when he is conjuring those of the air, he will turn to the East; when he is conjuring the creatures of the earth, he will turn to the North; when he is conjuring the creatures of the water, he will turn to the West.

On the ground one must paint with coal the Five-pointed Star, before which the columns of angels and demons tremble.

The upper vertex of the Star will be toward the inside of the precinct, and the two lower angles of the Star toward the outside of the precinct.

One can also paint a Six-pointed Star in the center of the circle, to make the Elementals obey.

The Hebraic letter ALEPH can replace the Five-pointed Star and the Six-pointed Star.

The creatures of air are commanded with a bird's feather.

The creatures of water are conjured with the cup in the hand.

The creatures of earth are conjured with the staff or stick.

The creatures of fire are conjured with the sword.

Arcanum 12

Chapter Twelve: APOSTLESHIP (LAMED)

The Athanor

The Alchemist needs an Athanor to work in the Great Work.

That Athanor is the woman.

All the beauty of Nature is synthesized in the woman.

In the woman are synthesized all the beauties of the Universe.

The woman is called to fulfill a gigantic mission in the future.

The woman is called to be the queen of Nature.

He who wishes to become an ineffable God must adore the woman.

He who wishes to become a majesty of the starry heavens of Urania must be willing to give even the last drop of his blood for the woman.

I consider that it is impossible to realize oneself without the woman.

ADAM and EVE left the EARTHLY PARADISE alone.

Man and woman united have shared the bitter bread of exile.

Man and woman united have not been able to stop loving each other.

The woman is adorable.

She rocked us in the cradle and blessed us with the blessings of above and below, with the blessings of the breast and of the womb.

The woman lulled us in the cradle, and fed us with the breast of the Blessed Divine MOTHER of the world.

The woman is the blessed GODDESS who has the power to convert us into ineffable gods.

GOD shines upon the perfect couple.

The AZOTH of ALCHEMY is the SACRED FIRE of the Kundalini.

That AZOTH is only attained by working intensely with the MERCURY of the secret philosophy.

It is impossible to be an alchemist if one does not work with the PHILOSOPHER'S STONE.

That blessed Stone has four names.

AZOTH, INRI, ADAM, EVE.

That venerable matter, semi-solid, semi-liquid, is our Christonic Semen.

The Athanor of Alchemy is the magnificent instrument that we possess to work with the AZOTH.

One must transmute lead into gold.

One must transmute the lead of our personality into the pure gold of the Spirit.

One must engender the Sun King crowned with the red Diadem.

That Sun King is engendered within ourselves, by practicing Sexual Magic intensely with the woman.

The woman makes us into ineffable gods.

The woman is the Athanor of ALCHEMY.

Arcanum 13

Chapter Thirteen: DEATH (MEM)

The Art of Speaking with the Dead

One can speak with the disincarnated:

The dead live in the sphere of YETZIRAH.

The dead live in the world of NOGAH (Astral World).

Disciples must learn to leave and enter the body at will.

In the world of NOGAH we can invoke the dead, to speak with them personally.

The deceased who have been fornicators are cold and tenebrous, and live in the world of ASSIATH, full of cold and darkness.

The disciples who have been chaste and who have awakened the Kundalini, after death are full of youth and of fire.

The Angels are burning flames.

The Angels are burning children, full of light and beauty.

In the world of NOGAH, we can speak with the dead personally.

The thirteenth hour is death and resurrection.

When we make a petition, often the Angels answer us by showing us the clock.

The disciple must observe the hour of the clock.

That is the clock of destiny.

In the schedule is the answer:

The Twelve Hours of Apollonius

FIRST HOUR OF APOLLONIUS: Transcendental study of Occultism.

SECOND HOUR OF APOLLONIUS: The abysses of fire; the Astral Virtues form a circle through the Dragons and the fire.

THIRD HOUR OF APOLLONIUS: The Serpents, the dogs, and the fire.

FOURTH HOUR OF APOLLONIUS: The Neophyte will wander at night among the sepulchres, will experience the horror of visions, will give himself over to Magic and to Goecia.

FIFTH HOUR OF APOLLONIUS: The superior Waters of Heaven.

SIXTH HOUR OF APOLLONIUS: Here it is necessary to remain still, immobile, because of fear.

SEVENTH HOUR OF APOLLONIUS: The fire comforts the animate beings, and if some Priest, a man sufficiently purified, steals it and then projects it, if he mixes it with the Holy Oil and consecrates it, he will succeed in curing all illnesses simply by applying it to the affected part.

EIGHTH HOUR OF APOLLONIUS: The Astral Virtues of the elements, of the seeds of every kind.

NINTH HOUR OF APOLLONIUS: Here nothing has yet ended. THE INITIATE increases his perception until surpassing the limits of the Solar System, beyond the Zodiac. He reaches the threshold of the infinite. He reaches the limits of the intelligible world. The DIVINE LIGHT is revealed, and with it new fears and dangers appear.

TENTH HOUR OF APOLLONIUS: The doors of Heaven open, and man comes out of his lethargy.

ELEVENTH HOUR OF APOLLONIUS: The Angels, the Cherubim, and the Seraphim fly with the rustling of wings; there is rejoicing in Heaven; the earth awakens, and the Sun, that surges from ADAM.

TWELFTH HOUR OF APOLLONIUS: The cohorts of fire grow still.

The Number Thirteen

There exists an HOUR THIRTEEN, which is that of LIBERATION.

He who passes through the Thirteen Gates of Mercy becomes an ineffable GOD of resplendent beauty.

The Zodiac is constituted by the Twelve Gates of Mercy.

The Thirteenth Gate is that of LIBERATION.

One must die in order to live.

One must die and resurrect.

Arcanum 14

Chapter Fourteen: TEMPERANCE (NUN)

The Elixir of Long Life

When the Divine Soul unites with the INNERMOST, a new Master of Major Mysteries is born in the Internal Worlds.

When to this union of the INNERMOST with the Divine Soul is also added the Human Soul, then a MAHATMA is born.

MAHATMA means GREAT SOUL.

These are the Diamond Souls.

This realization is attained at the age of five hundred esoteric years. (Fifth INITIATION of Major Mysteries.)

The MASTER who renounces NIRVANA out of Love for Humanity is confirmed three times honored.

The Master who renounces NIRVANA to remain on the physical plane must ask for the ELIXIR OF LONG LIFE.

The ELIXIR OF LONG LIFE is a gas and a liquid.

That gas, electro-positive and electro-negative, is of immaculate white color.

That gas remains deposited in our vital depth.

With that gas we can prolong life and live with a body of flesh and blood for trillions of years.

The yellow liquid etherealizes the physical body.

The physical body of the Master is gradually absorbed within the etheric body, and thus becomes indestructible.

Master ZANONI lived for millions of years with his physical body.

The Count Saint Germain lives currently with the same physical body he used during the 17th, 18th, and 19th centuries in Europe.

We Gnostics can live millions of years without death being able to prevail against us.

With this Science we become Omnipotent and powerful.

GNOSIS is for the men who wish to become gods.

Arcanum 15

The Elixir of Long Life When the Divine Soul unites with the INNERMOST, a new Master of Major Mysteries is born in the Internal Worlds.

Chapter Fifteen: THE BAPHOMET (SAMECH)

Black Magic

In the world of ASSIAH, there exist millions of Black Lodges.

The most dangerous Black Magicians of the Universe exist in the Mental World.

Every occultist who recommends seminal ejaculation is a Black Magician.

Every fornicator is a Black Magician.

Every association of fornicators forms a Black Lodge.

Our disciples must learn to conjure the tenebrous ones, to make them flee terrified.

The Angel AROCH taught me a conjuration against the tenebrous ones, which reads literally thus:

"BELILIN, BELILIN, BELILIN. Amphora of salvation; I would wish to be beside you; materialism has no force beside me. BELILIN, BELILIN, BELILIN." (This is sung.)

The Sage Solomon left us two very powerful Conjurations to combat the demons. Let us see:

CONJURATION OF THE FOUR:

Caput mortum, imperet tibi Dominus per vivum et devotum serpentem!

Cherub, imperet tibi Dominus per Adam JOT-CHAVAH!

Aquila errans, imperet tibi Dominus per alas tauri!

Serpens, imperet tibi Dominus Tetragrammaton per Angelum et Leonem!

The tenebrous ones must be conjured with the sword.

Chapter Sixteen: THE STRUCK TOWER (HAIN)

Enchantments

When the Astral Light coagulates into a flower, we become enamored of the flower.

When the Astral Light coagulates into a picturesque painting, we become enamored of the painting.

If the Astral Light accumulates in a woman, we become enamored of the woman.

The Astral Light is full of beauty and sentimentality.

The enchantments of the Astral Light are dangerous.

"Wretched is the Samson of the Kabbalah who lets himself be put to sleep by Delilah; the Hercules of science who exchanges his scepter of power for the spindle of Omphale, will soon feel the vengeance of Deianira, and the only recourse left will be

the bonfire of Mount Oeta, to escape the devouring torments of the tunic of Nessus."

He who lives enchanted by various women is no more than a weak little bird struck down by the bewitching eyes of the tempting serpent of the Astral Light.

The Astral Light is full of floating images.

Those images are full of beauty and sentimentality.

In those images is the secret of all the tragedies of our life.

The Sage Solomon left us a marvelous Invocation to ask for help from the Superior Powers.

With this Invocation we receive help for our individual needs.

INVOCATION OF SOLOMON:

Powers of the Kingdom, place yourselves beneath my left foot and in my right hand!

Glory and Eternity, touch my shoulders and lead me upon the ways of Victory!

Mercy and Justice, be the equilibrium and the splendor of my life!

Intelligence and Wisdom, give me the Crown!

Spirits of Malchuth, lead me between the two columns upon which all the edifice of the Temple rests!

Angels of Netzach and of Hod, sustain me upon the cubic stone of Yesod!

O Gedulael! O Geburael! O Tiphereth!

Binael, be my love; Ruach Hochmael, be my light; be what thou art and what thou shalt be! O Kiteriel!

ISCHIM, assist me in the name of SHADDAI.

CHERUBIM, be my strength in the name of ADONAI.

BENI-ELOHIM, be my brothers in the name of the Son and by the virtues of SABAOTH.

ELOHIM, fight for me in the name of the TETRAGRAMMATON.

MALACHIM, protect me in the name of IOD-HE-VAU-HE.

SERAPHIM, purify my love in the name of ELOAH.

HASMALIM, illuminate me with the splendors of ELOHIM and of SHECHINAH.

ARALIM, work. OPHANIM, turn and shine.

HAJOTH HA KADOSH, cry out, speak, roar, bellow.

KADOSH, KADOSH, KADOSH.

SHADDAI, ADONAI, JOT-CHAVAH, EIEA-ZEREIE.

HALLELU-JAH. HALLELU-JAH. HALLELU-JAH.

Amen. Amen. Amen.

Chapter Seventeen: THE STAR OF HOPE (PHE)

The Art of Speaking with the Sidereal Gods

The Magician can speak with the gods whenever he wishes.

We can see the gods face to face, without dying.

He who can speak with the sidereal gods does not need the Horoscopes of the fairgrounds.

We must become terribly divine beings.

To converse with the sidereal gods, one must learn to go out in the Astral Body.

In the Astral Body one must learn to transport ourselves to the Temple of the planetary gods.

Being outside the body, the Magician walks in circles from right to left, with imagination and will placed on the Planetary Temple he wishes to visit.

Then the Magician takes the straight line, walking in the direction of the Temple.

To the right of every Cosmic Temple, there is a white column.

To the left of every Cosmic Temple, there is a black column.

The Magician will greet the Guardian of the right, saying: JACHIN.

The Magician will greet the Guardian of the left, saying: BOAZ.

In the interior of the Temple we can speak with the planetary gods, to know our authentic and legitimate Horoscope.

Persons who have a transversal line on the forehead are children of GABRIEL; those who have two lines are children of RAPHAEL; those who have three are children of URIEL; those who have four are children of MICHAEL; those who have five are children of SAMAEEL; those who have six are of ZACHARIEL; and those who have seven are of ORIFIEL.

Chapter Eighteen: THE TWILIGHT (TZADDI)

Evil Eye

The "Evil Eye" in children is cured by reading them a fragment of each of the Four Gospels, and blessing them on the forehead, mouth, and chest.

The Evil Eye is also cured by reciting the Conjunction of the Four to them, and making passes over the head to draw out the morbid fluid, which can be burned in fire.

Children who have the Evil Eye have great circles under the eyes, fever in the head, vomiting, and even diarrhea.

The Evil Eye is due to the hypnotic force of some wicked persons who look at the children.

The doctors do not know of these things, and almost always confuse this illness with infections of the stomach.

The eyes are the windows of the Soul.

The man who lets himself be caught by the eyes of all women will have to resign himself to live within the abyss.

There are women who work upon men with witchcraft.

Those victims must defend themselves incessantly with the Conjurations of the Four and of the Seven.

To attain INITIATION, we must steal the fire from the devil.

To attain INITIATION we must wage great battles against the Black Lodge.

We can defend ourselves from witchcraft by invoking our Elemental Intercessor.

The Elemental Intercessor knows about herbs, knows about lights, knows about stars, because he is an expert in the Elemental Magic of Nature.

One calls him with all the heart at the time of going to bed.

Chapter Nineteen: THE RADIANT SUN (OOPH)

The Philosopher's Stone

The Philosopher's Stone is the SEMEN.

He who practices Sexual Magic every day is working with the Philosopher's Stone.

He who raises his Seven Serpents upon the staff acquires the following powers:

Power to never die, and to remain with his physical body until the consummation of the ages. Power to govern all the elements of Nature.

Power to become immune against every kind of firearm. Power to become master of the entire creation.

Power to see everything and hear everything. Power to be Wise. Power to govern the Celestial Militias, and so on.

All that is needed to work with the Philosopher's Stone is to have a good female.

The only purpose for which woman serves is to convert us into gods.

Chapter Twenty: THE RESURRECTION (RESH)

Potable Gold

Potable gold is the same Fire of the Kundalini. (See the "Treatise of Sexual Alchemy," by the same author.)

The Universal Medicine is in the potable gold.

We must end every kind of human weaknesses.

The serpents of the abyss try to steal the potable gold from the disciple.

The disciple who lets himself fall has afterwards to struggle a great deal to recover what was lost.

The chief of the Wisdom of the Serpent is the Angel METATRON.

METATRON was the Prophet ENOCH, of whom THE BIBLE speaks.

ENOCH left us the 22 letters of the Hebraic Alphabet.

ENOCH left us the TAROT, in which all Divine Wisdom is enclosed.

When a Bodhisattva lets himself fall, he is then separated from his Inner Master, to be punished.

This is how the Bodhisattvas receive their punishment.

Chapter 21: THE TRANSMUTATION (THAU)

This book of White Magic is not pleasing to any Black Magician.

Every person who reads this book and repudiates it does so because they are a Black Magician.

Every student of Occultism who repudiates this book does so because they are a Black Magician.

Every association of fornicators is a Black Magician.

JEHOVAH forbade fornication, and anyone who disobeys the ordinances of the Lord JEHOVAH is a Black Magician.

Our unmarried disciples of both sexes may transmute their sexual energy with the RUNE OLIN.

Practice

In a firm standing position, the disciple will make several rhythmic inhalations and exhalations.

As he inhales the air, he must unite his Imagination and his Will in vibrant harmony, to make sexual energy rise through the two ganglionic cords of the Medulla up to the brain, eyebrows, neck, and heart, in successive order.

Then the disciple will exhale the breath, imagining firmly that the sexual energy has been fixed in the Heart.

On exhaling the breath, the disciple will vocalize the Mantram "TORN" thus:

TOOOOOORRRRRRRNNNNNN...

This is how our unmarried disciples of both sexes can transmute their sexual energy.

The sexual energies are also transmuted with the aesthetic sense, with love for music, for sculpture, and with great walks, and so on.

The unmarried man who wishes to have no sexual problems must be absolutely pure in thought, in word, and in deed.

With the practices of the RUNE OLIN, we must perform various movements of the arms.

The disciple must place his right hand on his waist.

He will extend both hands toward the left side, the left hand somewhat higher than the right, with arms stretched, forming an acute angle with the trunk.

Place both hands on the waist.

I, AUN WEOR, the authentic and legitimate AVATAR of the new ERA OF AQUARIUS, declare that all the Sciences of the Universe are reduced to Kabbalah and Alchemy.

He who wishes to be a Magician must be an Alchemist and a Kabbalist.

He who wishes to have the Universal Medicine must be an Alchemist and a Kabbalist.

There are Black Magicians like the terrible and monstrous Parsival Krumm-Heller, and like that certain Cherenzi, who teach the disciples a negative Sexual Magic, during which they ejaculate the seminal liquor.

Those phallic cults were practiced by the wicked Canaanite Black Magicians and by the sorcerers of Carthage, of Tyre, and of Sidon.

The negative Sexual Magic of Parsival and Cherenzi formed part of the Tantric cults of the Canaanites.

That negative Sexual Magic of Parsival and Cherenzi was practiced by the Lemuro-Atlantean Black Magicians to ingratiate themselves with the demons.

Those cities were reduced to dust, and all those wicked ones entered the abyss.

When man spills the semen, he gathers from the submerged worlds millions of demonic atoms that infect our Brahmanic Cord and sink us within our own atomic infernos.

With Sexual Magic, the three breaths of the pure Akasha are reinforced.

But if man ejaculates the semen, those three breaths will make the Kundalini descend downward, toward the atomic infernos of man.

That is the tail of Satan.

No disciple must spill even a single drop of semen.

Here I deliver to humanity the key of all the empires of Heaven and of Earth.

Here I deliver to humanity the key of all the powers and the key of all the empires of Heaven and of Earth, because I do not want to see any more this sad anthill of humanity suffering so much.

I, after having studied all the spiritualist libraries of the world, have arrived at the logical conclusion that everything reduces to Numbers and to Alchemy.

One gains nothing by putting so many theories into one's head.

All those millions of volumes that have been written on Theosophism, Spiritism, Rosicrucianism, Magnetism, Hypnotism, Suggestion, and so on, serve only to drive people mad.

All the spiritualist schools are full of maniacal people.

Among the spiritualist schools we see the most varied types of madness.

Theories fill people with madness.

In the spiritualist ranks, many let their hair and beard grow and believe that with that they are going to become gods.

In the spiritualist currents the most varied types of mental imbalance abound.

Truly, the only thing that serves one in life is to have a good woman and to practice Sexual Magic every day.

We must live life intensely lived, with rectitude and with love.

We must earn the daily bread with the sweat of our brow, and be good citizens.

With the practical teachings I have delivered to my disciples in this "Practical Magic Manual," each of you can become a true ineffable GOD.

I, AUN WEOR, am a Logos of preceding Mahamvantaras and, therefore, have sufficient authority to speak of these things.

Living life with rectitude and with love, our disciples gradually receive their Initiations in the internal worlds.

All the books that have been written on spiritualism are full of contradictions.

All say the same.

All contradict themselves.

Some authors contradict others, and a single author contradicts himself every five minutes.

In sum, the poor reader ends his life as a maniac, full of mental imbalances.

I, AUN WEOR, swear in the name of the most Beloved FATHER. In the name of the most Adored SON, and in the name of the most Wise HOLY SPIRIT, that anyone who practices the teachings of this "Practical Magic Manual" shall become a terribly Divine GOD of the UNIVERSE.

Arcanum 22

The unmarried man who wishes to have no sexual problems must be absolutely pure in thought, in word, and in deed.

Chapter 22: THE RETURN (SHIN)

Meditation

Those who cannot go out in the Astral body do so because they have already lost the power, and then they must reconquer that power by means of daily Meditation.

Meditation is a scientific system to receive internal information.

When the Magician sinks into meditation, he abandons the physical body and can converse with the sidereal Gods.

Meditation has four phases:

ASANA: (Posture of the physical body). The body must remain in an absolutely comfortable position.

DHARANA: (Concentration). We must separate the mind from every kind of earthly thoughts. "Earthly thoughts must fall dead before the doors of the Temple." One must concentrate the mind only within... on our INNERMOST.

DHYANA: (Meditation). The disciple must meditate in those moments on the INNERMOST. The INNERMOST is the SPIRIT. "Remember that your bodies are the Temple of the living GOD, and that the Most High dwells in us." The disciple

must fall asleep profoundly, trying to converse with his INNERMOST.

SAMADHI: (Ecstasy). If the disciple has managed to fall asleep meditating on his INNERMOST, then he enters the state of Samadhi, and can see and hear ineffable things, and converse with the Angels familiarly. This is how the Consciousness awakens from its millenary lethargy. This is how we can acquire true Divine Wisdom, without the need to damage the powers of the mind with the battle of reasonings, or with vain intellectualism. Meditation is the daily bread of the Sage.

With Meditation our Astral Body transforms; our astral experiences become clear during the hours of sleep, and thus man reconquers his powers, and learns to go out at will in the Astral Body.

Then he will be able to use successfully the keys we gave in the chapter GIMEL, or The Empress.

With Meditation we can function without the four bodies of sin, in the World of the MIST OF FIRE.

During the hours of sleep, every human being functions in the Astral Body. Dreams are the Astral experiences.

Upon awakening, we must make the effort to remember all our Astral experiences.

During sleep every person is outside the physical body.

MAY PEACE BE WITH ALL HUMANITY.
