Chapter One: BY WAY OF PROLOGUE

What is the mission that man brings when he reincarnates on the earth?

Here is a motive for profound meditation.

It is now time to reflect seriously. Before it becomes late, or difficult, or impossible, it is fitting to act without hesitation. Not to leave for tomorrow what we should do today.

Master AUN WEOR, authorized spokesman and precursor of the era of AQUARIUS, has sounded the bugle of alarm and called to ranks. It is the instant to concert efforts, to gather wills, to discipline reserve contingents for the great battle against the dark powers.

Dear reader: If you aspire to be the chosen one, come and knock at the door with prudence, and wait with patience to be heard. 'Ask and it shall be given to you.' 'Knock and it shall be opened to you.' When the prodigal son moves away from home and returns broken and repentant, the father receives him lovingly, and there is feasting and rejoicing. If this happens in the human, what shall not happen in the divine?

Remember, brother reader, that you too are a prodigal son, because you have moved away from the glory of the Father, and still you do not return... Do you not perhaps perceive clamorous, insistent voices that invite you to knock upon your own heart as upon the door of a lavish mansion, while outside it rains and thunders without cease?

The mission man brings in each existence is none other than to surpass himself; and to attain this, it is necessary to know oneself and to be tempered like steel in the smoking workshops of pain... The physical plane is a place of preparation, of expiation, where the law of consequence makes us feel its redeeming lash. There is no reason, therefore, for anyone to feel disgraced, miserable, accursed, or banished.

To think otherwise would be to act unjustly toward oneself, sacrilegiously against God, who is love and justice. He who owes karma must pay it without haggling, with noble resignation, in legitimate coin, or expect that it be collected from him in shameful judgment.

In this case neither the justifying excuse nor the operative fraud is admissible. Only with the sword of the will can the beast be conquered, which is our animal I, our sure perdition. 'Come unto me, all ye that labour and are heavy laden,' said the Divine Savior, 'and I will give you rest.' Listen to the voice of Christ within yourselves. Christ is light and power that

washes away sins. Sanctify yourselves and sin no more. If you should wish for help, ask it of the venerable Master AUN WEOR. And then, armed as a Gnostic knight, you can penetrate full of glory into the bosom of the Eternal Father.

Chapter Two: SUPREME MESSAGE OF THE GREAT AVATAR OF AQUARIUS

AUN WEOR

INAUGURATOR OF THE NEW ERA, NOW REINCARNATED IN COLOMBIA

Most beloved disciples:

Thanks to our dear disciple Narciso E. Santana Q., we can today bring to you the Supreme Message of the New Aquarian Era.

My brothers: Abandon your idolatries and heresies, and return to the doctrine that Christ taught in secret to his seventy

disciples.

It is not spiritism with its mediums, nor 'Rojism' with its bookish indigestion, nor morbid Theosophism, that can lead you to liberation.

Mediumism and spiritism have only served to fill the asylums with the deranged. The 'Rojism' of Colombia, with its rubber spine, has only known how to kneel down and make genuflections to the black magicians.

Theosophism, given over to the opium of its theories, has only served to invite the students to indolence and to fornication...

Israel Rojas R. assured, some years ago, that the black magician Omar Cherenzi Lind was supposedly the great Master K. H.

If Rojas is a Master, why was he mistaken?

I must inform all the spiritualist students of Colombia that now, thanks to God, I, Aun Weor, have put an end to the dark Cherenzist school, whose establishment in Colombia was the responsibility of Mr. Israel Rojas R.

'Rojism,' mortally wounded, is disappearing from our Colombian soil. Theosophism and spiritism with its mediums have, fortunately, already practically disappeared from this Colombian territory.

All those idolatries, all those heresies, have corrupted humanity and have led it to the abyss.

This is the moment in which the students must reflect and return to the Path of Our Lord Jesus Christ.

There is a need to form within us the I-Christ. There is a need to form CHRIST within us. We must return to that ancient doctrine of the martyrs. To that doctrine which Paul preached in Rome when he arrived loaded with chains. We must return to that doctrine which Christ preached in secret to his seventy disciples. To that doctrine for which all the saints of Jerusalem were persecuted, and for which Stephen died a martyr.

Christ, who endured all temptations, is the only one who can give us power to resist with heroism all temptations. But we must form CHRIST within us, in order to acquire the fortitude of Christ.

All this belongs to the doctrine of Melchizedek: 'Of whom we have many things to say, and hard to be uttered, seeing ye are dull of hearing' (Hebrews 5:11).

All this belongs to the great mysteries of sex, which are hard to be uttered, seeing ye are dull of hearing. All of you have been scandalized when we have spoken to you frankly of Sexual Magic.

'For when for the time ye ought to be teachers, ye have need that one teach you again which be the first principles of the oracles of God; and are become such as have need of milk, and not of strong meat' (Hebrews 5:12).

You ought to be Masters already by reason of the time, because you have behind you thousands of lives and deaths, from the ancient times.

Yet, since you have moved away from the mysteries of sex, you have need to be taught again which are the first principles of the words of God. Those first principles of the divine word are enclosed in the Phallus and in the Uterus, which are hard to be uttered, seeing ye are dull of hearing.

All these mysteries of sex are enclosed in the wisdom of Melchizedek.

You must not forget, spiritualist Brothers of Colombia, that Christ, the divine Savior of the world, was made a Priest eternally according to the order of Melchizedek.

All the wisdom of Christ is enclosed in the mysteries of Melchizedek. All the wisdom of Melchizedek is enclosed in the mysteries of sex; but since you have moved away from the mysteries of sex, you now have need to be taught again which are the first principles of the word of God.

If you study Genesis, you will be able to comprehend that man came out of Eden by the door of sex, and that only by that door can you return to enter Eden.

By where one came out, one must return to enter. No one can leap over the walls of Eden.

You have wanted to leap over the walls of Paradise, and you have failed.

You have believed that by using 'Rojism' or 'Cherenzism' or spiritist 'Mediumism' as a ladder to leap over the walls of Eden, you could mock the doors of sex; and you have failed in your useless attempt, because Eden is sex itself.

Do not forget, Brothers, that each of your seven bodies must be transformed into the image and likeness of the divine Rabbi of Galilee. Do not forget that each of your seven bodies has its sacred Serpent. Christification is accomplished by climbing the seven burning rungs.

Christification is accomplished through the seven grades of the power of FIRE. The sacred FIRE is awakened with Sexual Magic.

Persevere in prayer; persevere in the breaking of the bread and the wine. Withdraw from your idolatries and heresies; tread the Path of sanctity, and do the first good works, so that

you may rise to the Father and receive the Holy Spirit, as I received it. Be perfect, as your Father who is in heaven is perfect.

BE PURE, PURE, PURE...

Abandon those schools of 'Rojism,' of 'Theosophism,' and of horrible spiritism and dark mediumism, and return to the ancient path of the martyrs...

Return to the holy doctrine of the Gnostics.

I send you what had never been published... I deliver to you the secret Doctrine of Our Lord Jesus Christ.

I do not want followers or partisans, but only imitators of my example. Do not concern yourselves so much with my person; my person is worth nothing; the work is everything.

MAY PEACE BE WITH YOU.

Chapter Three: TWO WORDS

The message of love and wisdom that you now have in your hands is the fruit of spirits of Light who suffer to contemplate man sunk in so much despair and pain.

If you have ever felt, O brother, the anguish over the great questions that martyr your spirit, read this message, and peace shall be in the most profound part of your being.

In the rough combat for life, when weariness exhausts forces, may this message be like the rain, like a ray of sun, which makes germinate and bear fruit the seed that lies planted within you.

Therefore, brother, those who watch so that you may be worthy of being called man send you their word, so that, when you feel thirsty for truth, you may drink from this fountain of inexhaustible love and wisdom.

May profound peace be in you; may there be in your heart love for this humanity which, sunk in pain through its ignorance, moves ever farther from the path of light, only to hurl itself into an abyss of shadows, annihilating all that is beautiful and divine of its immortal spirit.

Read this message, brother, and read it again every time you doubt. It infuses courage into your spirit on this journey trod with tears of blood.
