

# Duality

*by Samael Aun Weor*

GNOSTIC LIBRARY

This conference has the objective of showing the very purpose of existence on the planet.

## **Duality**

This conference has the objective of showing the very purpose of existence on the planet.

## **The Unity**

The Spark is vomited out of the Absolute Sun as unity and must return there as unity. To be able to work, immediately as it emerges from the Absolute, it has to unfold or divide into two. It is the Monad in itself. That Monad is: the DUALITY.

## **The Duality**

The Holy Affirming unfolds into the Holy Denying:

- **Atman — Buddhi.**
- **YES — NO.**
- **Positive — Negative.**
- **BEING — NON-BEING.**

The white unfolds into the black, the tall into the short, the fat into the thin, joy and sadness, triumph and defeat. Everything, absolutely everything, remains in Duality. One exists in function of the other.

The Holy Affirming unfolds into the Holy Denying in order to be able to create. The one needs the other; masculine needs feminine; the phallus needs the yoni, etc., etc.

The YES is the positive part, the affirmative part, the masculine part. The YES we see even with a simple vertical movement of the head. It is acceptance.

The NO we also see, in the horizontal movement, and is negation. The YES and the NO form the Cross. The YES is the masculine part, the active; the NO is the feminine part, the passive.

## **The Trinity**

On the two forces being unfolded, the third appears: it is the Holy Conciliating. Let us see it:

- **Affirmation — Negation — Conciliation.**
- **Father — Son — Holy Spirit.**
- **Positive — Negative — Neutral.**
- **Wisdom — Justice — Power.**
- **True — Just — Useful.**

The Holy Affirming, the Father, unfolds into the Son or Holy Denying, and between the two appears the Holy Conciliating, the Creative Energy of the Holy Spirit, the Mother.

The Father is YES, the Wisdom. If we learn to make Wisdom out of the NO, we begin to Create.

Who is NO? The Psychological Trainer, Lucifer; He manages the Balance. If we conquer him, He shall give us the Light or Wisdom and the Fire or Love. If we let ourselves be conquered by Him, we shall make ourselves his slaves. He is Desire in all human beings. And being Desire, He is the I of each one of us. In each of our desires the Fire is hidden, and the Light, the Wisdom, is hidden. If we wish to triumph, we have to conquer the Devil.

The Father says: "No one comes to Me except through the Son." The Son is Justice. He who wants Wisdom has to conquer Desire, because there is only Wisdom for him who masters the Fire, for him who has defeated the Devil.

If we wish to conquer Lucifer, we must study the object of desire. When one studies the object of desire, he discovers that it seeks:

- BEING or NON-BEING.

Let us see now:

- The Father is Wisdom and is the Truth.
- The Son is Justice.
- The Holy Spirit is Power, is the Useful.

Therefore, we have to learn to live in vigil from moment to moment. For each thing we are going to do, we must ask ourselves:

- Is this True?
- Is it Just?
- Is it Useful?

If we utilize this technique, we shall arrive at something very important; we are going to see that this is the secret in order to be able to govern the Quaternary.

## **The Quaternary**

The Quaternary is represented by a Perfect Square with four right angles, which invite us to reflect a little. Those four right angles are intimately related with the three functions of the Soul that exhaust our energies:

- To Feel.
- To Think.
- To Do: Words — Works.

If we apply Rectitude in these functions, we shall attain: Right Feeling, Right Thinking, Right Speaking and Right Acting:

### **1. Right Feeling**

I observe in the emotional center a negative emotion, and I tell myself: This feeling is not of my Being; it is of an I, and it must die.

## **2. Right Thinking**

I observe what I am thinking, and I say: This thought is not of my Being; it is of an I, and it must die.

## **3. Right Speaking**

We never reflect that words are Creative Energy of the Holy Spirit, and in them all its power is enclosed.

I observe that an I wants to speak, and I do not let it express itself. I ask the Mother to eliminate it.

## **4. Right Acting**

This which I am going to do — is it useful? If it is not, I do not do it, and I am saving my energy. If the I insists, I ask the Mother to eliminate it.

If we apply the Trinity in these four points, as a result there will appear the Saving of Energy or Balance of the Centers, which will permit us to crystallize the QUINARY.

## **The Quinary**

The Quinary is symbolized by a Five-Pointed Star. That Five-Pointed Star is the True Man. We are not men; we feel ourselves men, but we are not.

To be Men, we have to have created Five Bodies, which give us terrifying powers and make us completely different from what we are. But those Five Bodies are created in the forge of the cyclopes, in Sex, with the Creative Energy of the Holy Spirit. They are created upon our spinal column.

This work is called GENESIS — to create oneself. To be born of Water and of Fire. It is the FIRST MOUNTAIN, or Mountain of Birth.

The Five Bodies that must be created are:

- The Solar Physical Body.
- The Solar Vital Body.
- The Solar Astral Body.
- The Solar Mental Body.
- The Body of the Solar Will.

A man has to have Will; if he does not have it, he is not a Man. Men are the women and the males who come to have those Five Bodies. Men are not those who have a phallus, as the whole world commonly believes, but anyone who has worked with his Mercury, with his energies — saving them in the

Quaternary and investing them in the Creation of the Bodies. Thus one is transformed into a Man.

From this come the words of the Master Jesus. When the disciples asked Him what they did with the Magdalene, He said: "Let me, for I shall make of her a man." There is the secret: both men and women can do the same Work, in the same existence; the only thing needed is to transmute the Creative Sexual Energy to create the Five Bodies.

To be able to become Men, one has to learn to SAVE the Energy. That Energy is given by the Divine Mother every night — one hundred percent of Energy. Every day, when we get up, we have it. Then it depends on us, the good use or the bad use we give to it.

He who learns to save will be able to create the Five Bodies of the Being in the practice of Sexual Transmutation, and will become a Man.

That Man is: the Human Soul. The Human Soul must be had by males and females who aspire to go to Paradise. They must arrive with Her; without Human Soul no one enters there.

All of us went out through the door of Sex, and have to enter back through the same door, by creating the Existential Bodies of the Being.

If we attain those Five Bodies, we shall have the right to Choose Path. There are two paths: one path will lead us directly to the Unity. And there is another path that distracts us and takes us out of the esoteric work; in spite of the fact that we shall continue immersed in esotericism, it takes us out of the esoteric work:

- One path is called: Path of Nirvana or of the Spiral.
- The other is called the Direct Path. It is the Path of the Christ.

There are no other but these two paths. If a person decides to follow the Path of the Christ, he begins to take the step called SENARY.

### **The Senary**

After having raised the Fire to the larynx, it must be raised up to the eyebrow center.

Therefore, he who decided for the Direct Path will take his Fire to the eyebrow center, and there will shine a star which is: the Six-Pointed Star, formed by two crossed triangles. One is the Divine Soul that descends, and the other is the Human Soul that ascends.

That step, for all those who have that six-pointed star on the forehead, is known as: to celebrate the Perfect Marriage. The

Initiate possesses the Star of David, the Star of Bethlehem, the Six-Pointed Star that illuminates the Christmas tree — that which gives him the right to participate in the Christmas of the Heart. Only the daring Men who dared to take the Direct Path have the right to the Star of Compostela; that that Star be developed in their eyebrow center, on their forehead, so that it be known that this person has carried out the SENARY.

The purpose is to truly arrive at God. And to truly arrive at God, one has to take the correct steps; one cannot deviate the path. Once one has reached these heights, all who attain this Perfect Marriage have the right to the SEPTENARY.

### **The Septenary**

The Septenary is the Seven-Pointed Star. It is the Super-Man, the Christ. The Christ is the Son of Man. If we do not make ourselves Men, there will be no Christ.

Undoubtedly, to arrive at the Christmas of the Heart is the most important event in the history of Man. It would serve one nothing to have celebrated thousands of Christmases if one has not celebrated a single time his own Christmas. Then this event of celebrating the Christmas of the Heart, the Advent of the Christic Fire, is the Beginning of the APOCALYPSE in oneself.

This indicates something very important in oneself: the beginning of the SECOND MOUNTAIN — the Mountain of Death.

**INRI:** Ignis Natura Renovatur Integram. The Fire integrally renews nature.

The Christ is Love, the Fire that must renew all our nature. For this reason the advent of that Flame in our interior radically transforms us. The birth of the Christ gives rise to the process of the Apocalypse.

What does Apocalypse mean? It is the End by Fire — but which fire? Why, the Sacred Fire, which must be lit in our spinal column, the Kundalini, which in turn will make the Seven Churches that each one has along the spine shine.

That Fire will go on ascending Church by Church until completing the Seven, and carrying out the Death and Resurrection, directly in us. Because only that Fire resurrects; only that Fire gives us life and leads us to the Second Birth.

With Death, death is killed for an Eternity. This means that when the death of the Causa-causorum I-s — or the very Causes of Error — takes place, all our sparks are free, and with this Death one arrives at Resurrection.

**The Octonary**

It is symbolized by the meeting of Two Perfect Squares — the Eight-Pointed Star.

This Octonary or Eight-Pointed Star is showing us the third work, the work of the THIRD MOUNTAIN.

It is a work done by all who have succeeded in becoming resurrected ones. It is the work of seeking a disciple and taking charge of taking him up to the gates of the Second Mountain; it is the work of the Sacrifice for Humanity.

In the Septenary we attain 99% of Consciousness. In the Octonary we are going to conquer the remaining 1% of Consciousness, so that we may have one hundred percent of Consciousness. The Bodies of Light will be created. And a disciple will be sought who initiates the Second Mountain.

That is the work, and it is a work dedicated to the Sacrifice for Humanity, called "the Third Mountain." For some it will be very easy to do, because they already have their disciple advanced; but others will have to begin to do it. That work can last centuries, or millions of years. Here the Eagle will begin to swallow the Serpent.

Up to here we have the Octonary or Eight-Pointed Star. Now come the two final steps: the NOVENARY and the DENARY.

## **The Novenary**

In the Novenary, the forces of the Christ, of Lucifer, and of the Holy Spirit have to be fused into One Single Force: the Spirit.

In the Novenary comes that which is called the Purgatory. When the forces are going to be fused, forming the "O" of God-Mother, integrated by the Holy Spirit, Lucifer, and the Christ. The Fire, the Three Principles of Love. They have to prepare themselves and purify themselves.

But see what they say there: "The place where the unfortunate ones who arrived at those heights arrive." And they call them unfortunate, why? Because of the so terrible anxiety they have, for the next step to take place. They are at a tiny little step from entering the Absolute, from completing the TEN.

In the Novenary, the Father is still outside, and they are waiting for Him so that the Light, the Wisdom of the Father, penetrate them and they remain converted into Perfect Multiple Unity.

In the Purgatory, the Mechanicity of the Round ends or is killed; the mechanical part must end there.

If we arrive at this point, it is only a matter of waiting, because the Father will penetrate, and this Absolute Man will remain. A New Sun will have been created.

## **The Denary**

The Denary is complete when the two forces complement each other: the "I," or Wisdom, and the "O," or Love. Father-Mother.

When Wisdom penetrates into the Spirit, it becomes an Absolute Man. The Round is ended; the Integration of the Being has been attained. Another Perfect Multiple Unity. A new Being has been Self-Realized in the Absolute.

*Duality This conference has the objective of showing the very purpose of existence on the planet.*
