Four Classes of Hasnamussen

What is a Hasnamussen?

A Hasnamussen is the person who has two centers of gravity. That is, he serves the Devil and the Being at the same time.

All of humanity are Hasnamussen in greater or lesser degree.

There Are Four Classes of Hasnamussen

First Category

It is formed by the persons of the exterior world, who do not know Esotericism nor are they interested in it. They have only a planetary body. Such a class of persons accumulates in life something fatal and dangerous: the very activities of the ego in their psyche. At the hour of death, the only thing that survives there is a heap of devils that have no value — it is garbage. When one of these persons concludes his existence 108, since he did not work with Transmutation nor with the Three Factors, he disintegrates very rapidly in the Involution; for since he never transmuted, his Energy did not crystallize.

Second Category

It is formed by those who already have an Astral Body created and did not die in themselves. They created the Astral Body for their particular use, but did not continue the esoteric work; they lacked continuity of purpose because they did not have a permanent center of gravity. They dedicated themselves to sorcery and to black magic. When they conclude their 108 existences, they enter the Involution, which is much slower, because their Astral Body takes longer to disintegrate.

Third Category

It is formed by those who fabricated all their Solar Bodies and did not die in themselves (the Nirvanis). In this case the involutive process is still much slower. There is no other remedy for them but to eliminate what they have of Hasnamussen by dissolving the Ego — or to definitively involve within the entrails of the Earth. Practically they are lost cases, abortions of the Cosmic Mother.

Fourth Category

It is formed by the fallen Thrones, the Bodhisattvas, Gods who let themselves fall. This is when a Master, a Hierarchy, "throws the stone into the water" (dissolves all his Bodies). It is titled "fallen Throne" because he disappears from his Throne. Then the double personality is fabricated: that of the Angel and that of the Demon. It is clear that if they do not re-

solve to dissolve what they have of Hasnamussen, it also falls to them to involve within the entrails of the Earth, as Moloch and many others are doing.
