Three Classes of Tantrism

The objective of this conference is to permit us to know the three classes of Tantrism. Tantrism means "practice of sex." And Tantras is equivalent to persons who have practiced sex.

The great battle between the White and Black Magicians has its root in sex. The bronze Serpent that healed the Israelites in the desert, and the tempting Serpent of Eden, combat each other mutually.

The first is that of White Tantrism; the second, that of Black Tantrism.

Those who practice White Sexual Magic never spill the semen in their lives.

Those who practice Black Sexual Magic spill the semen.

There exist three classes of Tantrism: White, Black, and Gray.

White Tantrism

The transcendent fire is developed only with White Tantrism. In this there exists no orgasm nor ejaculation of the semen. With this tantrism the Kundalini is awakened — that is, the

Fire of the Holy Spirit. The purpose of this union is the creation of the Existential Bodies of the Being.

This practice must always take place between a man and a woman, phallus within the yoni, and does not include fornication. It must always be presided over by Love, Fidelity, and Chastity.

The key is the connection phallus-uterus without ejaculation of the Sacred Sperm.

Method for White Tantrism:

- Conjuration of Belilín and Magic Circle of protection.
- Supplication for assistance to the Inner Father and to the Divine Mother of each one for the practice.
- Light the fire with caresses and kisses until obtaining a perfect lubrication of the feminine yoni for penetration.
- Connection or penetration of the Lingam into the Yoni (of the penis into the vagina).

The Breathing Process has three stages:

- **1. Inhalation (20 seconds).** Imagine the entry of the air into the lungs, and then bring it down to the sexual glands.

- **2. Retention (20 seconds).** Imagine and feel a thread of gold that ascends through the column vertebra by vertebra from the coccyx to the eyebrow center.

This ascent to the eyebrow center is done in the fabrication of the first two solar bodies. In the following solar bodies, the ascent reaches the eyebrow center and from there descends in treble clef to the heart.

- **3. Exhalation (20 seconds).** Mantralizing ONE vowel for each breathing process in the following order:
 - 1st Iiiiiiii. / 2nd Aaaaaaa. / 3rd Ooooooo.
 - This procedure is repeated as many times as is necessary.
 - Withdraw or end the practice of Sex without spilling the Creative Sexual Energy — that is, without ejaculating or reaching the orgasm.

Recourse of the Energy in Treble Clef.

The ascending fire has the power to awaken the chakras and to open the Seven Churches of the Apocalypse of Saint John. It takes us along the path of intimate self-realization. Really, the only thing that serves is White Tantrism.

Black Tantrism

It seeks the awakening of the igneous serpent in its strictly negative form.

There exists connection of the lingam-yoni with magical rites and seminal ejaculation. It is evident that the Sacred Fire in Black Tantrism precipitates from the coccyx toward the atomic hells of man.

The black tantrics reabsorb the semen after having miserably spilled it. The result is fatal because the semen, after having been spilled, becomes charged with satanic atoms which, on penetrating again the organism, acquire the power to awaken the Kundalini in negative form.

Then appears the tail of Satan — the abominable Kundartiguador organ. The second serpent opens the seven chakras that are in the lower abdomen — "The seven gates of Hell" as the Mohammedans say.

The Black Magicians often teach that it is possible to awaken the Kundalini by spilling the energy, without a stable partner or with various partners, participating in orgies, doing homosexual practices, practicing oral sex, anal sex, and masturbation. The result is that the spinal fires, instead of rising through the medullar canal, descend toward the atomic hells

of man and crystallize in the Astral Body the tail of the Kundartiguador.

Gray Tantrism

This has other purposes: animal enjoyment without transcendent longings. It is well to know that all gray tantrics inevitably become black tantrics. Every fornicator, even though he is unaware of Black Tantrism, is in fact a tantric. And he inevitably becomes a tenebrous personality, with the tempting Serpent of Eden completely developed.

Three Classes of Tantrism The objective of this conference is to permit us to know the three classes of Tantrism.
